The Boston College Law School Range Finder Listed By 25th Percentile Scores

The Boston College Law School Range Finder
25th -75th Percentile Scores

The Boston College Law School Range Finder lists accredited law schools by LSAT scores and GPA ranges of first year classes for 2011-2012.
The range listed is from the 25th to the 75th percentile. That means that half of the entering class scores within the ranges indicated.

The Range Finder can help you identify schools where your grades and scores are most competitive for admission and help you gauge your chances of admission at a particular school. The chart is useful in evaluating your choices for a law school but is not meant to be used as a means of determining where you should or should not apply.
