## FRIDAY PARKING

All parents attending Parents' Weekend activities during the day on Friday will be directed to park on our Brighton Campus, adjacent to Lower Campus. Please follow the signs and enter the campus through the third entrance on Lake Street. Parking attendants will be on site for assistance.

Minibuses will be available starting at 8:30 a.m. to take you to Lower Campus, or you are welcome to walk. (It is about a five minute walk.) These buses will run throughout the day between Brighton Campus and Lower Campus every 10 to 15 minutes, stopping at the Robsham Theater and Conte Forum bus stops.

If you are staying for the Pops on the Heights Scholarship Gala on Friday evening, we request that you keep your car parked on the Brighton Campus during the concert to avoid traffic congestion. Motor coaches will be available at both entrances of Conte Forum immediately following the concert to bring you back to the Brighton Campus.

The Boston College Shuttle Service is available to all visitors if you require transportation to the Newton, Upper, or Middle campuses throughout the day. For BC Shuttle schedules and route maps, please visit [www.bc.edu/shuttle](http://www.bc.edu/shuttle).

If you are planning to arrive on campus before 8:30 a.m., you will still be directed to park on the Brighton Campus. You may then either walk to Lower Campus or wait for the 8:30 a.m. minibus.
