### PARISH PASTORAL COUNCIL TASK FORCE ON BUILDING COMMUNITY

Over the past year, the Parish Pastoral Council (PPC), through a Task Force on Building Community, has been working to develop a strategy to assure that St. Ignatius Parish provides a welcoming and hospitable environment for all its members – both newcomers and members in long standing. Development of a communal attitude that provides and encourages a more committed relationship with God and with one another is essential to the growth of a parish community. It is clear from reading the parish bulletin or scanning the web site that St. Ignatius is already engaged in numerous ministries and activities. What the PPC is endeavoring to do is to be sure that all parishioners feel that their participation is both invited and welcomed and that there is room for new ideas and suggestions. The PPC is striving for assurance that there is a clear pathway for all parishioners to not only participate more fully in any of the parish activities but also to propose ideas for new activities or ministries. In a few weeks, we will conduct a brief survey targeted at building community. We will offer members of the parish an opportunity to share their thoughts and become more actively involved if they desire. Anyone interested in helping to build community, please contact Eileen Connor at [econnor@bu.edu](mailto:econnor@bu.edu) or 617-739-0539.
