BC Ruggers Brave The Freezing Atlantic

BC Ruggers at Nantasket Beach

On February 11th 2006, fourteen members of the BCRFC participated in the annual Special Olympics Passion Plunge. A fundraising event designed and hosted by the Massachusetts Special Olympics, and one of the club's premiere community service activities, BCRFC contributed well over three times the requested donation, raising nearly \$1,000 in total. This year's event was held at Revere Beach in Revere, Ma, with an alternate site at the traditional Nantasket Beach in Hull, Ma, and provided plenty of freezing ocean water for the ruggers to relish. After diving into the freezing North Atlantic, BCRFC members enjoyed a meal at the original Kelly's Roast Beef, capping off a successful and gratifying experience.
