

Boston College Neighborhood Center Spring Tutoring Newsletter

THANK YOU!

On behalf of the Neighborhood Center, and the many students and families you have been working with, **thank you** for serving as a BCNC tutor this year.

With your help, we have been able to serve over 90 learners from the Allston/Brighton neighborhood and beyond. From supporting kindergartners just beginning school, to helping high school students struggling with advanced subjects, to coaching adults learning to read for the first time, you are all providing a valuable service.

We know that life can get busy for both you and the families you work with. PLEASE be sure that you are communicating with the students and their guardians if you are unable to meet for a session. It is also important to give ample notice since many of the families may not receive messages until they have already traveled to BC. If you are having any trouble connecting with your students, please let us know by email bcnc@bc.edu or phone 617 552 0445 M-F 12-5.

Mark your calendars:

- There will be **NO SCHOOL** from **April 14th-21st** for Boston Public School's April Vacation.

Please determine with your student and his/her guardian whether you will be meeting during BPS Spring Break and Boston College Easter Break, **April 13th-17th**.

CORI FORMS!!!

Thank you to everyone who has already sent in the completed CORI application.

We are still missing ID photocopies and/or completed applications from many of you and we need to receive them both **as soon as possible= NOW!**

- CORI application forms can be found by going to the BCNC homepage: www.bc.edu/centers/neighborhood
- Click on **APPLICATIONS/FORMS** on the left side bar to get to the CORI Application.
- Print and complete the form.
- Make a photocopy of your government issued ID (driver's license, passport etc.)
- Send the CORI application and the photocopy of your ID through **campus mail** (brown mailboxes situated on campus) to: Boston College Neighborhood Center (No address or stamp required!)
