A Note from Adrienne Dumpe

Each year, the Office of Student Involvement presents sixteen awards to individual students, student organizations, and faculty/staff members of the Boston College community. These awards were previously known as the Leadership Awards, but have been renamed the Ever to Excel Awards this year to better capture the essence of the awards.

As a faculty adviser, please consider nominating the students you advise or have gotten to know through your courses. As an adviser you have a unique lens into a student’s experience at Boston College and you often serve as a primary mentor to outstanding students. The Ever to Excel Awards committee would like to specifically encourage you to nominate these students.

Nominations can be submitted on MyBC. For tips on writing an excellent nomination and to see past winners, visit bc.edu/awards. Please note that all award nominations must be received no later than 9:00 p.m. on Friday, February 12, 2016.
