The Academic Advising Center posts on its web site a calendar of advising-related events sponsored by Boston College offices for pre-major students, especially those students enrolled in the College of Arts & Sciences and the Carroll School of Management. We encourage departments and programs to submit this form so that we may call your events to students' attention. Please be certain that information reaches the Center at least ten days prior to the scheduled event.

Note: While the Center is delighted to publicize events, it currently has no resources to fund them and lacks sufficient personnel to aid in staffing. Regrettably, the Center's current facility also lacks space to host meetings; please be certain that you have a confirmed space for your event before asking that it be posted.

Please call 2-9259 or [acadvctr@bc.edu](mailto:acadvctr@bc.edu) if we can be of assistance.
