With study periods approaching, the Boston College Police Department would like to remind community members of the importance of not leaving valuables or personal property unattended for any period of time.

Recently, there have been several thefts of electronic devices and credit cards reported from our libraries.

Items taken were the result of property being left unattended or unsecured.

Do not leave your personal property unattended anywhere on campus. Take items with you, even if you plan on being gone for seconds, and pay attention to your surroundings.

Remember if you see something, say something, and report any suspicious activity to BC police at 617-552-4444.
