Welcome to the Boston College Internship Fair

The Internship Fair is your chance to meet with employers and talk about internships or just explore a few career fields.

Do you have questions? Are you nervous about what to say?
If you have questions or just need some encouragement, stop by the Career Center Help tables (Tables 1 and 2).

During the Fair

1. First, take a look through this program and see who is here. The attached floor plan and employer profiles will help you locate specific companies.
2. Before you speak with an employer, look at their website or have a friend get you some literature from their table to gain a fuller understanding of what the organization does. Don’t ask an employer, “So, what does your company do?”
3. You may want to start with an employer who is not at the top of your list, to get over the jitters and get a sense of how these conversations go.
4. Approach the employers in which you are most interested and introduce yourself. Try to give the employer your own personal “sales pitch” in which you mention your name, class year, major, and your background as it relates to the employer or the internships they are offering.
5. Be conversational! Be interested in what they have to say, and ask questions about the internship.
6. Get their business card, if possible, and once you have left the table, write a note about your conversation (for your thank you note).

After the Fair
Follow up with a thank you note for the internships you want. Use the notes you took at the fair. Let the employers know you enjoyed speaking with them and that you hope to set up an interview. For tips on thank you notes, go to http://www.bc.edu/offices/careers/skills/letters/thanks.html

Didn’t find what you were looking for?
If you’re looking for out-of-state employers or an industry not represented here, you have some GREAT alternative resources:

1. Log into our various internship databases, especially UCAN, which is shared with 22 other colleges around the country - http://www.bc.edu/offices/careers/internships/howto.html
2. Stop by the Career Center during our Drop-In hours and someone will assist you individually – Monday to Friday, 1-4 PM, AND Tuesday/Wednesday evenings, 5-7:30 PM OR call 617-552-3430 for an appointment with a career advisor.

Jack Wills University Outfitters

Jack Wills heavily evokes British heritage and plays on the tension derived from combining this with a contemporary, eccentric edge. Heading out in a Tweed blazer, skinny jeans and some hand-made brogues personifies this attitude. Sporting Heritage plays an important part in this too – Rugby and Polo in particular.

From a lifestyle perspective, Pete and Rob (the founders) have always said; ‘we are inspired by our customers, people who are at a point in their lives when they are having the time of their lives’.
