Welcome to the Boston College Career Fair

The Career Fair is your chance to meet with employers and talk about jobs and internships **OR** simply to explore a few career fields.

**Do you have questions? Are you nervous about what to say?
Or do you just need some encouragement?**
Stop by the Career Center Help table, on the Floor of Conte Forum.

There are two ways to approach the Career Fair

- A. **Low key** – learn about careers in a variety of industries. Ask questions such as “Could you describe some of the roles that communications specialists in your organization play?” or “What are the qualities that you look for in entry-level employees?”
- B. **More focused** – meet new potential employers, learn about specific job and internship opportunities, and find out how best to apply for these. **Here are the steps for Plan B, “More Focused”:**
1. First, take a look through this program and see who is here. The attached **floor plan and employer profiles** will help you locate specific companies.
 2. *If you haven’t had a chance to research an employer*, take some literature from their table (or have a friend get some for you) **OR** take a look at their website to gain a more complete understanding of what the organization does. *Don’t ask an employer*, “So, what does your company do?”
 3. Start with an employer who is not at the top of your list, to get over the jitters and get a sense of how these conversations go.
 4. Approach employers and introduce yourself. Try to give the employer your own personal “sales pitch” in which you mention your name, class year, major, your career interests, and your background as it relates to the employer or the jobs/ internships they are offering.
 5. Be conversational! Be interested in what they have to say, and ask questions.
 6. Get their business card, if possible, and once you have left the table, write a note about your conversation (for your thank you note).

After the Fair

Follow up with a thank you note for the jobs or internships you want. Use the notes you took at the fair. Let the employers know you enjoyed speaking with them and that you hope to set up an interview. For tips on thank you notes, go to <http://www.bc.edu/offices/careers/jobs/resumes/thankyou.html>

Need more help, or didn’t find what you were looking for?

- The staff of the Career Center can assist you with any career-related issue – searching for jobs or internships; exploring and choosing career fields; crafting a resume, cover letter or grad school essay.
- See us during our Drop-In hours, Mon-Fri, 1-4 PM, and Wednesday evenings, 5-7 PM **OR** make an appointment with a career advisor through your EagleLink account or by calling 617-552-3430.

City Year

City Year was founded in 1988 on the belief that young people can change the world. City Year is an education focused, nonprofit organization that unites young people of all backgrounds for a year of full-time service to keep students in school and on track to graduation. At City Year's 25 locations across the United States and two international affiliates, teams of young people called corps members serve full-time in schools for the academic year as tutors, mentors and role models. By focusing on attendance, behavior and course performance, which identify students who are at risk of dropping out, corps members are uniquely able to help students and schools succeed.

LaunchSquad is a technology PR firm that identifies and communicates stories for companies we love. You've probably heard of a few: Acquia, Facebook, and Ministry of Supply. From consumer and enterprise technology start-ups to lifestyle and media companies, we partner with our clients, immerse ourselves in their product or services and build strategic communications campaigns and original content programs that reach and resonate with key audiences. We don't have a formula for our work. Every client partnership provides an opportunity to try something new. It all starts with the story. From there, we work together to develop, build and produce original programs.

Urban Teacher Center prepares highly effective teachers who will significantly accelerate student achievement in the nation's highest-need schools. We accomplish this by recruiting outstanding candidates, equipping them with state of the art training, and linking their certification to their students' performance outcomes. Founded in 2009, Urban Teacher Center is a new organization on the cutting edge of urban school reform by virtue of its link between teacher effectiveness and certification eligibility. UTC has offices in Baltimore and in Washington, DC. Additional regions will join UTC in the next year. For more information, visit the UTC website at www.urbanteachercenter.org

Venture for America is a career accelerator for recent grads who want to learn how to build a business while making an impact. VFA Fellows get training and join a startup in an emerging US city, where they live and work for two years at one of our hundreds of partner companies. They learn hands-on what it takes to build a company, while getting the mentorship, network, and ongoing support to prepare themselves to become successful entrepreneurs. Our goal is to spark job growth in cities that need it by sending our top-talent to help grow the businesses that will make it happen.
