Work Environment Policies
The overall work environment affects the quality of education and the quality of employee performance. This section outlines key principles and guidelines for ensuring a positive work environment. The Employee Handbook describes these policies in greater detail.

Policy on Discriminatory Harassment || Covers harassment based on gender, race, color, religion, national origin, citizenship, handicap, age, sexual orientation, or status as a Vietnam-era veteran. Includes information on sources of assistance and the harassment resource network

Sexual Assault Network || Primary resource for those who may be victims of sexual assault. See also Student Affairs Division webpage Sexual Assault Policy and Resources.

University Smoking Policy || Smoking is prohibited in all Boston College buildings and vehicles. Includes restriction details.

Alcohol Policy || Offers extensive guidelines on the use and service of alcohol pertaining both to employees and students.
**Drug-Free Workplace** || Complies with the requirements of the Drug-Free Workplace Act of 1988. Contains information on prohibition of controlled substances, certain disclosures upon employment, and where to seek confidential counseling on drug use/abuse-related problems

**Grievance Procedures** || What to do if any employment-related grievances cannot be resolved informally. Provides details on what issues are subject or not subject to grievance and levels of the formal review procedure

**Professional Standards and Business Conduct** || Extensive information on policies and procedures concerning employee code of conduct and business ethical issues

**University Diversity Policy** || Covers policies, principles and practices of equal opportunity, affirmative action and nondiscrimination in all of its activities, including, but not limited to employment

**Policy on the Protection of Minors** || Guidelines designed to provide a safe environment for minors when on the Boston College campus, or while participating in University-sponsored activities off campus. Contains detailed instructions, definitions, and forms.

**Benefits Policies**

*In the event that an employee may need or request time off due to a personal situation or medical necessity, you should be aware of these particular policies to be accurate and informed.*

- Sick Leave and Disability Policies
- Family and Medical Leave Policy
- Personal and Other Non-Medical Leaves
- Vacations
- Personal Days
- Holidays
- Religious Holidays

**Performance Management**

*Performance management is an investment of time and resources toward attaining departmental and University’s mission and strategic goals, and in valuing employee growth and development. These links will help you understand what effective performance and performance expectations look like at Boston College.*

- About Performance Management
- Performance Management Process FAQ
- University-Wide Performance Attributes/Competencies || Describes what effective performance looks like at Boston College. Used throughout the performance management process and apply to all employees

- Performance Management Forms || Role Description, Performance Appraisal, Goal Tracking Worksheet
Compensation and Salary Administration

The Boston College compensation program uses a classification system in which each job is reviewed based on information provided in a role description. For in-depth details and more information see the Compensation’s Office web page and the relevant section in the Employee Handbook.

- Market Pricing Broad Band Compensation System || Overview of broad band system and its salary structure
- General Compensation Practices FAQ
- Job Classification Overview || Provides criteria in which each job is reviewed based on information provided in a role description
- Overtime || Guidelines regarding overtime eligibility
