Great opportunity exists for a Crisis Clinician to join our Mobile Crisis Team! Our dedicated team of crisis clinicians provides psychiatric emergency services to children, adults, and families who are at serious risk of harming themselves or others. Our emergency services are available to clients 24 hours a day, 7 days a week. The crisis intervention team evaluates and stabilizes the crisis, and makes referrals to the most appropriate level of care.

Crisis clinicians provide emergency evaluations to patients with emotional and/or psychiatric disorders to identify problems, evaluate lethality, and develop appropriate treatment. These evaluations are done both onsite in our Quincy location, as well as in the community. They conduct interviews with and provide information to patients, families, and significant others for the purpose of stabilizing crises. Crisis clinicians receive clinical supervision from a licensed supervisor.

**Requirements:**

- Masters in Social Work, Counseling or related field
- Minimum of one year experience in a crisis intervention setting or related field placement in crisis intervention setting
- Demonstrated experience and training in assessing adults, children, and families in crisis
- Demonstrated ability to form therapeutic relationships with clients and families in distress and work with them in disposition planning

*We offer a competitive salary and comprehensive benefit package!*
