Welcome to Boston College

Established in 1863, Boston College is one of the oldest Jesuit, Catholic universities in the United States. Ranked thirty-first among national universities by U.S. News and World Report in 2010, BC has consistently exhibited a strong dedication to academic excellence. Approximately 14,800 students from all fifty states and 93 countries worldwide pursue their studies on BC’s beautiful, tree-lined campus. Outside the classroom, Boston College students participate in a variety of volunteer opportunities, clubs, and campus organizations, including its highly successful athletic teams. Attesting to Boston College’s strong reputation for academic rigor, its students have received a large number of prestigious Fulbright, Rhodes, and Marshall scholarships in recent years.

One of Boston College’s strategic goals has been to expand the university’s international activities. Each year Boston College sends over 1200 students abroad and hosts more than 200 international exchange students from its partner universities worldwide. The international climate on campus is greatly enriched by exchange students, who are welcomed and supported by Boston College faculty, staff, and students, and are encouraged to fully participate in all that the university has to offer.
