

BOSTON COLLEGE EXCHANGE STUDENT

Declaration and Certification (DCF) of Finances Form 2012-2013

In accordance with U.S. government regulations, Boston College cannot provide a Certificate of Eligibility form (I-20 for an F-1 student visa or DS-2019 for a J-1 Exchange Visitor visa) until you submit evidence that you have sufficient financial resources to meet your expenses while studying in the U.S. Students usually satisfy the financial requirement through some combination of personal/family resources, support from their home governments or other sources. In computing expenses, you should remember that students holding the Student (F-1) or Exchange Visitor (J-1) visas have VERY limited work opportunities. **Therefore, the applicant should not look to employment, either part-time during the academic year or full-time during the summer, as a means of support while at Boston College.** In addition, spouses who accompany students to the U.S. on the F-2 visa are not permitted to accept any kind of paid employment in the U.S. We are keenly aware that the financial requirement may pose serious difficulties for many international students, but unfortunately, the university has no alternative in this matter. We sincerely hope that this will not prove to be a barrier to your pursuit of study here.

Students currently in the United States:

- If you are currently attending or have just recently attended a U.S. school in F-1 student status, you must complete this form AND complete the "Transfer of F-1 Status to Boston College" form. Your I-20 must be transferred from your current school within 60 days after you completion of studies. The form can be found at www.bc.edu/oiss under "forms".
- If you hold another visa status (J-2, F-2, H-4 etc.) please send documentation showing your current status and contact the Office of International Students and Scholars (see contact info below) to determine if you will need to change your immigration status. **Note: Students in B-1 or B-2 (tourist) status and F-2 students are NOT allowed to study in a degree program and must change their status before beginning their studies.**
