Preparing for Study Abroad

- Students can maximize their study abroad experience by learning about their host country, its history, and culture. Students may want to go to Encyclopedia Britannica <http://www.britannica.com/> for a summary of Bath and the United Kingdom (Bath and the United Kingdom are the best search terms). Another useful site is: www.economist.com/countries. Please refer to the suggested readings and websites provided at the end of this document for additional information
- Students should know what is happening in the news in their host country by reading the local newspaper at: www.thisisbath.com
- Encountering and adapting to a different culture is an intricate component of studying abroad. Students are strongly encouraged to use the following websites to learn about intercultural communication before you leave home: <http://www.pacific.edu/sis/culture/> and <http://www.peacecorps.gov/wvs/educators/enrichment/culturematters/index.html>.
- Customs and traditions in Great Britain will be different than the ones found in the United States and at Boston College. To learn a little about the local customs and traditions one may want to consider the following questions: What type of government does Great Britain have; who is the Prime Minister; what are the national sports; what are some of the popular TV shows; who are some of the biggest celebrities in Great Britain; what music is currently popular; how do you order food in a pub; what is the policy regarding tipping?

In addition, students should review the below site for information regarding British customs and traditions:

<http://www.kwintessential.co.uk/resources/global-etiquette/UK.html>

- Students and their parents/legal guardian should refer to the Office of International Programs website for more information regarding the abroad experience: www.bc.edu/international. In addition, all students will be given the Boston College Study Abroad Handbook prior to departure. Students are expected to attend the mandatory pre-departure orientation held at Boston College. At the orientation, students will have a chance to learn more about their host country/city from their advisor and former study abroad students. Finally, additional student and parent information can be found at: <http://www.studyabroad.com/guides/index.html>

Contact Information

- Advanced Studies in England
2 Pierrepont Street
Bath BA1 1LB
Tel: (0)1225 447134
Fax: (0)1225 446134
E-mail: admin@asebath.org

To dial a UK number from the US, dial 011 44 and then the number (minus the first zero). When calling within the UK, you must always use the initial zero of the number.

Travel Information

- Students are responsible for making their own travel arrangements. There are numerous travel sites that can aid students in finding flights. STA Travel is popular among students (www.statravel.com). Please note that students traveling to Great Britain must have a returned flight booked as part of the United Kingdom's immigration policies.
- Most students will fly into Heathrow or Gatwick in London or to Bristol. Students will need to pass through immigration before leaving the airport. Students will then need to get to Bath. Students can travel via train or bus. More information can be found here:
 - Train: www.firstgreatwestern.co.uk
 - Bus: www.nationalexpress.com

ASE will provide additional details regarding arrival.

- Passports: Students traveling to Great Britain need to have a valid passport that will not expire while abroad. Passports should be valid for at least 6 months after the last day in Great Britain. Students can find more information about passports here: http://travel.state.gov/passport/passport_1738.html
- Visa Information: The below information has been compiled from multiple sources. It is meant to work as a guide for students. For the most up-to-date information, students should use the information contained on these websites:
 - Home Office: UK Border Agency:
<http://www.ukba.homeoffice.gov.uk/studyingintheuk/> The two most relevant links are under, "Adult Students" and/or, "Student Visitors."
 - Official British Government Website for Visa Services:
<http://www.ukvisas.gov.uk/en/>
 - Worldbridge Service:
https://www.visainfoservices.com/Pages/Content.aspx?tag=Welcome_Page
Worldbridge is the official company which handles all visa inquiries. Students should contact Worldbridge for any visa inquiries and not the British Consulate (s). The Consulates contact all questions out to Worldbridge.

Students should carefully read all documents sent to them by ASE. Failure to properly follow the directions will result in delays in processing visas or lead to entry denial into the U.K.

There are two routes to enter Great Britain: as a **Student Visitor** or on a **Tier 4 (General) Student Visa**.

- **Student Visitors:** The Student Visitor status applies only to students studying in Great Britain for 6 months or less. The exception is if a student intends to volunteer, work or complete a pre-practicum or practicum abroad or if a student flies to Great Britain through the Republic of Ireland, the student will need to apply for a Tier 4 (General) Student Visa (information provided below). Student Visitors do not need to complete any application prior to leaving for Great Britain. Student Visitors will enter Great Britain and have their passports stamped accordingly. Students do need to provide the following documents and information upon arrival in Great Britain:
 - Valid Passport
 - Proof that you have an unconditional acceptance for your course at ASE. This will be provided by ASE.
 - Boston College tuition support letter. This will be provided by BC OIP.
 - Maintenance funds. Maintenance funds are original bank statements in the student's or the parent's/guardian's name. The funds must demonstrate that a specific amount of money is available to the student for the duration of their time abroad. ASE students need to show at least 800 British pounds per month abroad. Financial aid, scholarships and loans can be used as well. All documents must be in the student's or the parent's/guardian's name and must be on original documents (no web sites, PDFs, etc.). Joint accounts can be used. These amounts must be held in the bank account for a minimum period of 28 days. The end of that 28 day period must not be more than one month before the date of your application, for which you must show bank statements/other evidence. Finally, students must write on the documents how much the dollar amount is in pounds. Students must use the following site to convert dollars into pounds: www.oanda.com. If a student chooses to use their parent/guardians funds as proof the following specified original legal documentation (or a notarized copy) establishing the relationship must be provided with the application, which must include one of:
 - The applicant's birth certificate, showing name of the parent(s) showing the funds
 - Certificate of adoption showing the name of the student and the parent(s) showing the funds
 - Court document stating the name of the legal guardian(s) of the named student showing the funds
 - Evidence that the student intends to leave Great Britain after the semester is over (return airline ticket).
- **Tier 4 (General) Student Visa:** Students who wish to stay in Great Britain for more than 6 months or intend to work, intern (including practicum and pre-practicum students), volunteer or fly through the Republic of Ireland, will need to obtain a Tier 4 (General) Student Visa prior to entering Great Britain. Students who need to obtain a Tier 4 (General) Student Visa will complete the application process before leaving the United States for Great Britain. The application process is begun no earlier than 3

months prior to departure. Students applying for a visa will need to complete the following steps:

- Complete online application. The application can be found here: <http://www.ukvisas.gov.uk/en/applyonline>
 - Complete biometrics appointment. Biometrics information is provided and explained online after completing the online application.
 - Send printed visa application, stamped biometrics and supporting documents to the British Consulate in New York. Supporting documents include:
 - Valid Passport (the actual, physical passport must be sent)
 - Confirmation of Acceptance for Studies (CAS). This will be provided by ASE as an electronic number. Students will use the electronic generated CAS to complete the on-line visa application.
 - Maintenance funds. Maintenance funds are original bank statements in the student's or the parent's/guardian's name. The funds must demonstrate that a specific amount of money is available to the student for the duration of their time abroad. ASE students need to show at least 800 British pounds per month abroad. Financial aid, scholarships and loans can be used as well. All documents must be in the student's or the parent's/guardian's name and must be on original documents (no web sites, PDFs, etc.). Joint accounts can be used. These amounts must be held in the bank account for a minimum period of 28 days. The end of that 28 day period must not be more than one month before the date of your application, for which you must show bank statements/other evidence. Finally, students must write on the documents how much the dollar amount is in pounds. Students must use the following site to convert dollars into pounds: www.oanda.com. If a student chooses to use their parent/guardians funds as proof the following specified original legal documentation (or a notarized copy) establishing the relationship must be provided with the application, which must include one of:
 - The applicant's birth certificate, showing name of the parent(s) showing the funds
 - Certificate of adoption showing the name of the student and the parent(s) showing the funds
 - Court document stating the name of the legal guardian(s) of the named student showing the funds
 - Two passport sized photos on photo paper
 - Original Boston College Transcript (available through Agora)
- There are no immunizations required for students studying in Great Britain.

- Teaching at ASE takes place in small seminar groups and tutorial-style classes. Courses are taught by highly-qualified British faculty, many from Oxford University, and the Program enjoys ongoing academic ties with University College, Oxford.
- Boston College course approval information will be found at: <http://www.bc.edu/offices/international/academics/courseapproval.html>
- Information about Transcripts and grades is available at: <http://www.bc.edu/offices/international/academics/transcripts.html>

Housing

- Students pay their housing costs directly to ASE. Students at ASE live in eighteenth- and nineteenth-century town houses and flats (apartments) throughout the centre of Bath. A small meal stipend of £35 per week is currently provided by ASE. All the apartments are located a short distance from the ASE Study Center. More information can be found on ASE’s website, under “Location and Housing.”
- Additional information about the estimated cost of housing may be found at: <http://www.bc.edu/content/dam/files/offices/international/pdf/2012-2013%20estimated%20student%20budget%20w%20housing%20June%202012.pdf>
- Meals: Each apartment is equipped with a kitchen. Students shop for themselves and cook in the apartment. There are numerous shops and restaurants located throughout the city. A meal stipend of £35 per week is provided.
- Local Transportation: Bath is very walk able city. Students should be able to get to most places on foot. When additional transportation is needed, please refer to <http://www.bath.co.uk/>
- ASE organizes several activities throughout the semester. In addition, students may join clubs and societies throughout the city of Bath. For full details, please visit ASE’s

website and click on the links for “Social and Cultural” and “Residentials, Trips and Travels”

- All ASE residences come equipped with a telephone. Students may purchase pre-paid cell phones upon arrival (these do not require a contract).

Wellness, Health and Safety

- Make sure that you have had any required or recommended vaccinations for your travel destinations by consulting the Centers for Disease Control website at www.cdc.gov.
- HTH Worldwide Insurance Services is an emergency health and emergency services provider. All registered BC students are covered by our blanket policy while living and traveling outside of the United States. For more information, visit the following website: <http://www.bc.edu/offices/international/travel-health-safety.html>
- Students are advised to visit the U.S. State Department website: <http://www.state.gov/> for important travel information including travel advisories. In addition, the State Department has developed a site specifically for students: <http://studentsabroad.state.gov/>
- Adjusting to a new culture and environment can be stressful. Students will have a smoother transition by making sure that they prepare to remain healthy. The following are some websites that provide important information and advice about how to have a healthy and safe experience abroad:
http://kidshealth.org/teen/your_mind/emotions/culture_shock.html
<http://www.kwintessential.co.uk/cultural-services/articles/cultureshock-stages.html>
<http://matadornetwork.com/bnt/the-4-stages-of-culture-shock-and-how-to-beat-them/>
- Be sure to visit the OIP website for additional information about Health and Safety: <http://www.bc.edu/offices/international/travel-health-safety.html>
- BC emergency contact information:
 - Office of International Programs: (617) 552-3827 (Monday to Friday 9 a.m. – 5 p.m.)
 - Boston College Police Department: (617) 552-4444 (outside of normal business hours)
- Alcohol and Drugs: In many cultures, alcohol consumption is an acceptable part of the culture and people are taught to drink in moderation at home. Many countries have a lower drinking age than the U.S. while other countries have drinking and drug abuse laws that may be more severe. Students are subject to the laws of their host country, so if you choose to drink alcohol abroad, always drink responsibly and be knowledgeable about your host country’s laws by visiting:
http://travel.state.gov/travel/tips/safety/safety_1747.html

Finances

- The OIP website provides information about estimated expenses for study abroad: <http://www.bc.edu/content/dam/files/offices/international/pdf/2012-2013%20estimated%20student%20budget%20w%20housing%20June%202012.pdf>

- Scholarships and Financial Aid information can be found at:
http://www.bc.edu/offices/international/Scholarship_Opportunities.html
- The best way to access funds from the US is with an ATM, credit, and debit cards (also give the best exchange rate). Students who use an ATM, credit and/or debit card abroad, should contact the appropriate bank before leaving United States. Please inform the bank that you will be overseas for an extended amount of time as some banks may question foreign transactions. In addition, banks may have additional fees if a card is used overseas. It is advisable to have some funds in traveler's checks as a back-up method as well as a small amount of local currency on hand when students arrive.

Returning to BC

- Complete a Program Evaluation. Upon completion of your program OIP will e-mail the link to the evaluation.
- Mentor an exchange student from abroad by e-mailing: oiexchange@bc.edu
- Volunteer for Discovery Night, Pre-departure Orientation, Re-entry seminar by contacting Larry Pickener (Pickener@bc.edu).
