Preparing for Study Abroad

- To maximize your study abroad experience, you should prepare yourself by learning about your host country, its history, and culture. You may want to begin with: www.economist.com/countries or <http://www.britannica.com/> for a summary.
- Know what is happening in the news in your host city by reading the local newspaper, *The Southern Star*: <http://www.southernstar.ie/>
- Engaging with and adapting to a different culture is an inherent component of study abroad. You will find the following websites useful to learn about intercultural communication before you leave home: <http://www.pacific.edu/sis/culture/> and <http://www.peacecorps.gov/wws/educators/enrichment/culturematters/index.html>
- Customs and traditions in your host country are different from those at home. To learn a little about the local customs and traditions you should visit the following website: <http://www.britannica.com/EBchecked/topic/293754/Ireland>
- You and your parents should refer to the Office of International Programs website (www.bc.edu/international) and specifically to the *Study Abroad Handbook* for more information regarding the abroad experience.
- Prior to your departure you will meet with your International Study Advisor at an orientation to help you further prepare for your study abroad experience.

Travel Information

- You are responsible for making your own travel arrangements. In the past BC students have often used student travel agencies such as STA Travel at www.statravel.com. These agencies generally offer competitive rates and open-ended tickets allowing you to leave Ireland whenever you want to (as long as your visa does not expire).
- To study in Ireland, you must have a passport that is valid for at least six months beyond your estimated return date. You may apply for a passport at any major US post office. Be sure to start this process as soon as possible as it usually takes six to eight weeks to complete.
- Upon arrival in Ireland you must also have a letter of admission from University College Cork (UCC). Without proper documentation you may have difficulty getting through customs. When you are admitted by the Irish Immigration Officers your passport will be computer-swiped and date stamped; you will have to register with the local Immigration Office within one month of that date. There is a 150 euro charge for registration with the Immigration Office. Representatives of

the Aliens Office will contact the University shortly after the start of term to facilitate registration for all International students. To register with Immigration you will be required to produce the following: GNIB form provided by UCC; valid US passport; UCC student ID card; health insurance policy (stating that you are covered while in Ireland and that hospitalization is included); and evidence of financial support. You will find more information at:

<http://www.ucc.ie/en/international/VisitingUSNon-EUStudents/ImmigrationProcedures/>

- The acceptable form of financial evidence is generally considered to be an Irish bank statement (your name and address must be on it) showing funds of at least 500 € per month of stay or 3000 € per year. The UCC International Office will advise you about this at Orientation; however, if you need to open an Irish Bank account you will need proof of residence in the US (driver's license), an address in Ireland (letter from UCC's International Office), and a valid US passport.
- Vaccinations are not required for U.S. citizens.
- Plan to fly into Dublin Airport. All flights leave the U.S. in the evening and arrive in Dublin at approximately 7 am. From Dublin there are regular train services to Cork. You can find the train schedules from: <http://www.irishrail.ie>. Outside the Cork train station, you will find a taxi stand. It is only a short ride from there to the campus. The No.5 bus route will transport you between the train station and UCC's main campus as well. The frequency of the bus service is approximately every 20 minutes.

Campus accommodation consists of five complexes either owned or managed by University College Cork. They comprise: Farranlea Hall, Victoria Lodge, The Spires, Castlewhite Apartments, Brú na Laoi (Irish speaking community within Castlewhite), and University Hall, a new complex that opened in October 2006.
