Students may begin researching courses prior to departure by visiting the course selection links below. Once students arrive in Santiago, they will register for courses.

Information about the courses offered at PUC Chile can be found by following the instructions below:

Click the following link: [http://www.puc.cl](http://www.puc.cl)

- Click on “Académicos”
- Click on “Catálogo de cursos”
- Click on the discipline the right to see brief course descriptions
- For course syllabi, click on “Programa” under the listed course
- For specific information on courses, click on “Buscador de cursos” in the left column and then click “Ingresar al Buscador de cursos” on the right hand side of the page. This is a course finding program similar to the one at BC.
  - Remember that BC spring semester corresponds to PUC Chile’s Primer semestre and BC fall semester corresponds to PUC Chile’s Segundo semestre. So, for Spring 2012 courses, choose 2012-1 and for Fall 2012 choose 2012-2.
- To access a course syllabus from the course finder, hover over the “i” to the left of the course and click “programa”.

Please be aware that in order to receive approval for major, minor or University core credit, students may need to present course descriptions and/or syllabi to faculty responsible for course approvals.

Students must visit the “Academic Planning for Study Abroad” page on the OIP website for information on the course approval process:
