

Commonwealth Garage Roof Access & Snow Removal Update

Monday, March 11, - Saturday, March 16, 2013

Commonwealth Garage Roof

The snow has delayed construction activity in the rear of St. Mary's Hall during spring break. As a result, access to the roof of the Commonwealth Garage will be prohibited until Saturday, March 16.

All parking on the roof of the Commonwealth Garage will only be accessible from Campanella Way.

Those with "A" permits who normally park on the roof of the Commonwealth Garage **MUST** use the Campanella Way entrance and exit only.

SRS and TSRS Permit Holders

Those with SRS and TSRS permits must be out of the Commonwealth Garage by 2:00 AM, Monday, March 11.

Should you return after Monday, March, 11, 2013, please use the intercom and call BCPD to let you out of the garage.
