Frequently Asked Questions
Fall 2016 Off-Campus Move-In

WHEN DO FALL 2016 CLASSES START?

Graduate and undergraduate classes for fall 2016 begin Monday, August 29. Classes for fall of 2017 begin on Monday, August 28.

AS AN UNDERGRAD WITH AN APARTMENT LEASE EXPIRING IN AUGUST AND AN ON-CAMPUS ROOM ASSIGNMENT IN THE FALL, HOW EARLY CAN I MOVE INTO MY ON-CAMPUS ROOM?

Undergraduate students living in a rental unit with a lease expiring in August can apply for early arrival if they have an on-campus housing assignment in the fall of 2016. The earliest on-campus move in date is Saturday, August 20. Contact transitions@bc.edu with questions.

WHAT IF MY APARTMENT LEASE DOES NOT BEGIN UNTIL SEPTEMBER 1, 2016?

Students with leases scheduled to take effect on September 1 are encouraged to contact their landlord, property manager or rental agent and request an earlier move-in date.

If you are unable to move into your apartment until September 1, consider the following:

- Make arrangements with the landlord to move personal belongings into the apartment early and stay with a friend until the unit is cleaned and ready for you on the 1st
- Contact the current tenants of the apartment and ask to sublet for the last week of August
- Stay with friends until your lease starts
- If you live locally, commute to campus

WHO SHOULD I CONTACT IF I HAVE QUESTIONS REGARDING OFF-CAMPUS MOVE-IN?

Students scheduled to live off-campus should discuss their move-in with their landlord or property manager.

Students can also call or email Off-Campus Housing within the Office of Residential Life at 617-552-3075 or email offcampus@bc.edu.

We appreciate your understanding and flexibility with this process!
