THE OFFICE OF STUDENT SERVICES WOULD LIKE TO EXTEND A WARM BOSTON COLLEGE WELCOME TO YOU AND YOUR FAMILY.

We are BC’s One-Stop Center located on the first floor of Lyons Hall. Our Service Associates are always ready to answer your questions and to help you get off to a good start. Student Services can be reached at 617-552-3300 or 800-294-0294 or by e-mail at studentservices@bc.edu. For further information and hours of operation, you may visit our website at www.bc.edu/studentservices.

Our Welcome Guide will introduce you to some of the services we offer. Be sure to complete all the items on the Pre-Orientation Checklist found on page 3, and fill out and return the Advising Center Survey (for Morrissey College of Arts and Sciences students only) found on page 5.

In the pocket of the Welcome Guide, you will find the Academic Planning Workbook for First Year Students. Before you arrive on campus for orientation, read the Workbook carefully, including the Advanced Placement and language proficiency requirements, if any, for your school or college.

For more information about academic programs and requirements, refer to the 2016–2017 Boston College Catalog which you will receive in June, or you can access the Catalog website at www.bc.edu/catalog. You can browse over 1,500 undergraduate course offerings by logging into the portal and selecting the online Course Information and Schedule, which includes course descriptions, faculty, syllabi, meeting times, and course evaluations.

Please plan to bring a laptop with a full keyboard for searching and typing during advising and registration sessions, and download BC’s UIS prior to your arrival on campus. For download instructions, refer to www.bc.edu/content/bc/offices/help/essentials.software/uis-install.html. A limited number of devices will be available for those who need them. Please notify Rebecca Schmitz (rebecca.schmitz@bc.edu) if you are unable to bring a device.

If you have any questions, feel free to call or e-mail us. We look forward to seeing you this summer.

Sincerely yours,

Louise Lonabocker
Executive Director
Office of Student Services

ACADEMIC PLANNING WORKBOOK
- Read the Academic Planning Workbook carefully and complete the Weekly Schedule Planner on pages 43 and 44. Bring the Workbook to your Orientation session.
- Review Advanced Placement information.
- Review language requirements, if any, for your school or college.
- Fill out and return the Information for the Advising Staff survey (for Morrissey College of Arts and Sciences students only) found on page 5.

LANGUAGE PLACEMENT EXAMINATION
In order to register for the appropriate level French or Spanish language course, log on to www.bc.edu/rll. See page 33 of the Academic Planning Workbook for further details.

CHOOSING MATHEMATICS COURSES
For more information about choosing mathematics courses, especially if you will be taking a Calculus course, visit the Mathematics Department Advisement website at www.bc.edu/mathadvise.

STUDENT EMPLOYMENT
If you plan to work on campus, you must complete an Employment Eligibility Verification Form (I-9) in the Office of Student Services at the time of your hire and provide original documents (copies will not be accepted) that prove your identity and employment eligibility, e.g., passport or driver’s license and social security card. These documents will be reviewed in the Office of Student Services and then returned to you. For more information, refer to page 8, or visit the Student Employment website at www.bc.edu/studentemployment. Bring your original documentation to registration on the final day of Orientation, and the Student Services staff will process your I-9.

Information for the Advising Staff
For Morrissey College of Arts and Sciences Students Only

Please return this form no later than Friday, June 17, 2016, to the Boston College Academic Advising Center, Stokes Hall, 140S, 140 Commonwealth Avenue, Chestnut Hill, MA 02467.

(Print or type all responses clearly)

Full Name and Nickname/Preferred Name __________________________________________________________

Orientation Session _____________________________

The information you provide will help your academic advisor to prepare for conversations with you during the summer and throughout the academic year.

1. You need not choose a major in the Morrissey College until your sophomore year, but it will help you and your advisor to start talking this fall about your interests. What are the three areas you are most likely to consider?

2. Please list at least three additional fields you might enjoy exploring at BC, whether or not you have studied them as subjects in secondary school.

3. Most students are more confident of their abilities and skills in some academic areas than in others. Please indicate what you consider your greatest academic strengths and also the areas in which you feel you have less well-developed abilities. NOTE: Please list types of skills or abilities, e.g., creative writing, literary analysis, quantitative problem-solving, rather than specific subject fields.

    I am strongest in:
    I am relatively weaker in:

4. What interests do you plan to pursue outside the classroom during the coming year?

5. Are you considering study, travel, or work abroad? If yes, where?

6. Do you expect to hold a job during the academic year?

7. Do you regularly speak a language other than English at home? If yes, what language?

8. We sincerely look forward to meeting you and getting to know you over the coming year. Your story, your strengths, the decisions you have made all brought you to where you currently stand and will impact the direction you head in the future. ON THE BACK OF THIS SHEET AND ON ADDITIONAL PAGES IF NECESSARY, please answer the following question: Tell us about a time when you felt most energized. What about a time when you felt most defeated? What specific skills or traits did you rely on to capitalize on the opportunity to overcome the challenge?
Financial Aid

The Office of Student Services administers financial aid programs that include federal and state grant and loan programs, Federal Work-Study, and need-based institutional grant and scholarship programs.

Students can access their financial aid award using Boston College’s web portal (portal.bc.edu). All award notifications are sent out electronically. No paper award notifications are mailed to your home address.

If you have applied for financial assistance for the 2016–2017 academic year, you should have received the determination of your eligibility, assuming all application materials were received on time. If you have not received notification, check your application status at www.bc.edu/finaidapp.

The conditional award will be based on the financial aid application materials on file at the time the award is prepared, and is subject to change once the 2015 tax return and other documents are received. Changes in calculated financial need may result in adjustments in the aid award.

If you have received an award notification and have made your deposit, you will be sent the Boston College Incoming Student Validation Form in May. Upon receipt and review of the Validation Form, you will be notified that your financial aid information has been verified. Changes to your award based on this Validation Form are made only if the information provided differs from what was previously reported. Other adjustments may be necessary based on additional documentation received throughout the year.

Once your financial aid award is verified, all institutional grant funds can be disbursed to the student account. Any federal and state loan funding will not disburse any earlier than August, as federal and state loans require Entrance Counseling and the signing of a Master Promissory Note before disbursement.

Boston College does require that you reapply for financial aid each year. Applications for the following year will be available each January at www.bc.edu/finaidforms and are due April 15.

**BC’S FINANCIAL LITERACY PROGRAMS**

**Successful Start**
Many students graduating from college have little or no information about creating budgets, managing personal finances, or borrowing and using credit. The goal of the Successful Start program is to ensure that Boston College’s students are financially-literate for their lifetime. The Program offers a series of workshops and seminars, led by Boston College employees and expert guest speakers, related to all aspects of personal financial management.

For additional information about the Successful Start Program, visit their website at www.bc.edu/successfulstart.

**SALT**
Boston College has partnered with American Student Assistance (a nonprofit organization that delivers quality delinquency prevention services and BC’s prior guarantee agency for all Federal student loans) to create a debt management and financial education program for our current Boston College students, as well as our alumni. This program rewards you for making smart money decisions, and all of its services to you—including your membership—are free of charge.

**STUDENT EMPLOYMENT**

The Office of Student Services would like to encourage you to take advantage of our on- and off-campus work opportunities. Student workers gain practical employment experience, learn from mentors and role models, develop networks and potential future references, and earn income for educational and living expenses.

You are welcome to drop by Student Services in Lyons Hall to make an appointment with one of our student staff members to discuss strategies for finding a job. Consider increasing the chances of getting the job you want by developing a resume and strengthening your interviewing skills. Remember: Be prepared and be persistent! Tips are available from BC’s Career Center at www.bc.edu/bc/offices/careers/jobs.html.

You may work up to 20 hours per week during the academic year and up to 29 hours during the Christmas and spring breaks. The academic year employment period begins Sunday, August 28, 2016, and ends Saturday, May 20, 2017.

Student employees are paid only for hours worked (and not paid for lunch breaks, sick days, holidays, or emergency closings), and direct deposit to any bank or credit union is the method of payment used by Boston College. All earnings are taxable. W-2 statements for the previous calendar year are issued through the University’s Human Resources Service Center (HRSC) by January 31.

If you have been awarded Federal Work-Study as part of your financial aid package, the dollar amount indicated on your e-Award Letter is the maximum you may earn during this academic year, and this amount is not deducted from your tuition bill.

You should not accept any employment offer until you are certain of the job’s duties and requirements, the extent of the time commitment, and the demands of your academic workload.
Academic year job listings will be posted on the Student Employment website located at www.bc.edu/studentemployment beginning August 24, 2016. To learn more about student employment, visit the website listed above or contact the Office of Student Services at 617-552-3300.

For On-Campus Employment
Review the campus employment job listings available as of August 24, 2016, and daily thereafter, on the Student Employment website at www.bc.edu/studentemployment, and contact the campus employer directly. Job listings are created and maintained on this website by the campus employer. Also, if you work two jobs for the University, working both jobs will deplete your Work Study award that much sooner. Students awarded Federal Work Study are not guaranteed an on-campus job.

Boston College uses an automated student employment system for on-campus hourly paid employment. If you are hired, the campus employer will be able to process your information electronically as long as you have completed the I-9 process.

For Off-Campus Federal Work-Study (FWS) Employment
If you were awarded Federal Work-Study, you are still an employee of Boston College even if you work at an off-campus agency. Your wages are determined by Boston College’s student employee guidelines and established student wage structure, and your time sheets are submitted to the Office of Student Services for review and processing.

You are responsible for keeping an accurate record of your earnings since you may not earn more than the maximum Federal Work-Study amount you were awarded in your Financial Aid package. You may work up to 20 hours per week and up to 29 hours during the Christmas and spring breaks, even if you are working more than one job for Boston College.

Job postings on the Student Services’ website are from agencies that have contracted with Boston College. Contact that employer directly to schedule an interview.

Review the Hire/Rehire Form process for off-campus FWS positions at www.bc.edu/offcampusfws. Hire/Rehire Forms are available at the Office of Student Services in Lyons Hall and on the web. Visit www.bc.edu/ssforms and click on “Student Employment Forms.”

Supervisor- and student-signed Boston College Off-Campus Agency time sheets must be received by the Office of Student Services by 4:00 p.m. on Thursday to receive payment on Friday of the following week. Your time sheet will be due earlier the week before a holiday.

International Students (F-1)
International students who will be working on campus must complete the Form I-9 and bring original documentation to the Office of Student Services as indicated under “Required Forms” listed below. You must also bring:

- A Letter of Permission to Work from the BC Office of International Students and Scholars (Thea Bowman House, 72 College Road)
- Passport and Visa
- I-20 or Form DS2019
You are required to apply for a social security number in order to be paid. You will need to bring to the Social Security Office a specific letter (offer) for employment which has been completed by your campus employer.

For more information, visit the BC Office of International Students and Scholars website at www.bc.edu/oiss.

Students will need to bring their passport, visa, and social security number or receipt to the Foreign Tax Specialist at the Human Resources Service Center (HRSC) located at 129 Lake Street, Room 100, on the Brighton Campus. Permanent resident students will only need to bring their permanent resident card to the HRSC. The HRSC can also assist international students with completing tax forms. Call the HRSC (617-552-4772) to confirm the availability of the Foreign Tax Specialist.

Required Forms
The forms listed below are required for all newly-hired University student employees.

- Employment Eligibility and Verification Form (I-9) available on the Office of Student Services website or on the Human Resources website at www.bc.edu/hrsc. Complete Part I and bring this Form with original documents (copies will not be accepted) that establish both identity and employment eligibility to the Office of Student Services. Refer to our website for a specific list of acceptable documents.
- “Student Hours at Boston College,” pertaining to the number of hours students may work for Boston College at different times of the year, will be given to you and needs to be read, completed, and signed when the Form I-9 process is being handled in the Office of Student Services.
- W-4 Federal withholding form
- M-4 Massachusetts withholding form
- Direct Deposit Enrollment Form

Contact HRSC at 617-552-4772 with any questions concerning income tax withholding, tax forms, direct deposit, or issues with accessing those sites from your Agora Portal.

Enrolled Boston College student employees have the ability to complete, edit, or update W-4, M-4, and Direct Deposit information through their Agora Portal. New hires will have this ability once your hire forms have been processed by the University’s HRSC, after which you will have the Human Resources links to complete those forms. Please note: International students, however, will still need to go to the HRSC at 129 Lake Street, Room 100, on the Brighton campus with their passport, visa, and social security number or receipt, and assistance in completing paper tax withholding forms is available at the HRSC. Permanent resident students will only need to bring their Permanent Resident card to the HRSC. It is suggested that students call ahead to the HRSC at 617-552-6409 to confirm the availability of the foreign tax specialist.

Off-Campus, Part-Time Employment (Non-Federal Work-Study)
If you are looking for non-Federal Work Study employment off-campus, check out the employment opportunities available through CollegeHelpers.com, which offers 24/7 access via the internet. Job searches can be made by job title or by geographic area. Visit www.collegehelpers.com for more details or to register, or e-mail them at support@collegehelpers.com.
Features on this website include:

- Job searches by title or geographic area
- Automatic e-mails when a new job has been posted for BC
- A range of job choices
- 24/7 access via the Internet
- No charge for BC students

Any student hired by that off-campus employer is an employee of that employer and not an employee of Boston College or of CollegeHelpers.com.

**My Bill**

Boston College provides you and your family with a fast, flexible, and secure online billing and payment process. All tuition and fees bills are sent out electronically. No paper bills will be mailed to your home address. Students are responsible for retrieving these statements and ensuring payment is made by the due date. Fall semester statements are generated in mid-June and are due on August 10. Spring semester statements are generated in mid-November and are due on December 9.

Although statements and e-mail notifications are only generated once a month, you may always see your current student account by logging onto your Agora Portal at portal.bc.edu and selecting “My Bill” from the “My Services” menu under “Account and Personal Info.” Real-time student account information can be viewed by selecting “Recent Activity” within My Bill. Your billing statement history is maintained on My Bill for your entire BC career.

For further information, a list of frequently asked questions, and BC’s current tuition and fees chart, you may access the Office of Student Services’ My Bill website at www.bc.edu/mybill.

**E-MAIL NOTIFICATIONS**

Whenever a bill is generated, you will receive an e-mail notification at your BC e-mail address. If you forward your BC e-mail account and fail to provide a correct forwarding address, you will not receive any notifications, but you will still be responsible for all pending charges and late fees, if applicable. When you receive an e-mail, log on to your Agora Portal at portal.bc.edu and click on “My Services” and then “My Bill” under “Account and Personal Info.” This will take you to BC’s secure billing website.

**AUTHORIZING THIRD-PARTY PAYERS (INCLUDING PARENTS)**

Any third-party payers, including a parent, guardian, or sponsor, must be authorized by you, or they will not be able to see and pay your bills. To authorize third-party payers, log on to your Agora Portal at portal.bc.edu. Select the “My Services” tab and then select “My Bill” under “Account and Personal Information.” From the menu bar in the left navigation, select “Authorize Payers.” You will then provide their e-mail addresses and assign them temporary login names and passwords. Be sure to let your authorized payers know their temporary login names and passwords since they must use them to access the billing system. They will be required to change these temporary passwords the first time they log on to the billing system.

Once authorized, all third-party payers will be notified by e-mail of a pending bill. They may view statements and make online payments through a link to the online bill in the e-mail notification. If you need
to change your third party payer’s e-mail address, you must delete the authorized third party payer profile and create a new one with the new e-mail address.

Third-party payers can still use the same password and e-mail address for all accounts, but the login name for additional students needs to be different. For example, if the login name for the third-party payer is billdad, the second student could assign billdad2 as the login name for the same third-party payer.

**MAKING ELECTRONIC PAYMENTS**

You may pay electronically any day of the week from a personal checking or statement savings account in the United States. You can keep your bank account information on the secure website or enter it each time you make an online payment. Payments will be transferred electronically to Boston College.

Each authorized payer is assigned a separate password for access to his/her account and payment history. No one else, not even the student or the university, will be able to view or use a third-party payer’s confidential bank account information.

**PAYING BY CHECK OR MONEY ORDER**

Students and authorized payers can print the online bill pdf, tear off the bottom portion only, and send a check or money order made payable to Boston College to the address listed below. Boston College does not accept cash payments. All checks must include the bottom portion of the billing statement and should have the student’s Eagle ID Number on it.

Mail payments and any correspondence to:

Boston College  
Office of Student Services  
Lyons Hall, Room 103  
Chestnut Hill, MA 02467

**PAYING IN PERSON OR BY WIRE TRANSFER**

You may pay in person at the Office of Student Services, first floor of Lyons Hall. Boston College does not accept cash or credit card payments for tuition and fees. BC’s online billing system does not accept payments from foreign bank accounts. If you cannot pay your bill through a bank account in the United States, we recommend wiring the payment.

Wire Transfer payments (in U.S. dollars) should be made at least seven days in advance of the due date and must include your full name and Eagle ID number. Contact the Office of Student Services at 800-294-0294 or 617-552-3300 for wiring instructions.

**International Wire Transfer Payments**

Boston College has partnered with Flywire to streamline the tuition payment process for our international students. With Flywire, you are offered excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, as compared to traditional banks. You will also be notified via e-mail when your payment is received by Boston College. To begin the payment process, visit www.bc.edu/wiretransfer.
QUIKPAY® PAYMENT PLAN

Interest-free monthly payment plans are available within My Bill. Please visit www.bc.edu/paymentoptions for more information.

If you have any questions, you may call the Office of Student Services at 617-552-3300 or 800-294-0294, or send us an e-mail at studentservices@bc.edu.

Medical Insurance

In order to comply with the law of the Commonwealth of Massachusetts and Boston College policy, students registered in a degree program are automatically enrolled in and charged for the Blue Cross Blue Shield Student Blue Plan, BC’s Injury and Sickness Insurance Plan.

If you are currently enrolled in a health plan that is comparable to the Student Blue Plan you may waive coverage as follows:

- If you are 18 years or older, access your Agora Portal at portal.bc.edu. Select the “My Services” option from the main menu and then “Medical Insurance” under “Account and Personal Info.” To provide proof of comparable coverage, you will need to have information about your current health insurance plan readily available.

- If you are under the age of 18, your parent or guardian must sign and submit a written waiver, which you can download at www.bc.edu/ssforms and click on “Medical Insurance Forms.” You cannot file an electronic waiver.

- If you are an international student, you will be automatically enrolled in the Boston College insurance plan. You are not eligible to waive the student insurance plan. If you are insured through a parent/guardian’s health insurance plan offered through a U.S. employer, or a government sponsored program, (for example Government of Kuwait/UAE or Government of Saudi Arabia) with coverage that meets or exceeds BC’s student health insurance plan you might be eligible to waive coverage. The waiver form for international students is available at www.bc.edu/ssforms.

The deadline to waive the medical insurance for the academic year is September 23, 2016, and for spring semester only, January 27, 2017.

Waivers must be completed every year. Providing insurance information to other offices on campus (e.g., Athletics or Health Services) does not fulfill this requirement. Incomplete waivers will not be processed.

If you do not complete a waiver (electronic or paper) prior to the deadline, you will automatically be enrolled in and charged for BC’s insurance plan. The cost is $1,301 for coverage from August 7, 2016, to January 16, 2017, and $1,612 for coverage from January 17, 2017, to August 6, 2017.

Detailed information on costs, benefits, and participating providers is available online at www.gallagherkoster.com/bc or www.bc.edu/medinsurance.

Eagle-One Cards

The Eagle-One Card, BC’s official ID, serves both as identification and as a debit account card. You must keep it available at all times in order to obtain access to residence halls, computer labs, libraries, and the Flynn Recreation Complex. Boston College identification cards are the property of the University and must be presented to authorized University officials upon request. Failure to comply with this regulation can result in judicial action. Falsifying, altering, or misusing your own or anyone else’s Eagle-One Card in any way is strictly prohibited and illegal.
The $30 fee for an original Eagle-One Card ($25 for each replacement) is automatically billed to your student account. If you lose your card, log on to your Agora Portal at portal.bc.edu immediately to deactivate it. Be aware that you remain responsible for card usage, including debits from Residential and Optional Dining Plans, prior to deactivation.

You may also go directly to the Office of Student Services during business hours to have your lost card cancelled and a replacement issued immediately.

**Dining Services**

All first year resident students are automatically billed $2,604 for the Residential Dining Program which includes:

**MANDATORY MEAL PLAN**

You will receive $2,429 per semester to spend at qualifying on-campus dining locations. At the end of the fall semester, any remaining funds will be carried over to the spring semester. Balances remaining at the end of the academic year will be forfeited.

**DINING BUCKS**

With Dining Bucks ($175) you may make purchases at specialty dining locations, concessions, and vending machines. Remaining balances will roll over to next year. Upon graduation a 100% refund on any balance over $5 will be applied to your student account.

**FLEX DINING PLAN (OPTIONAL)**

The Mandatory Meal Plan is based upon the average BC diner. While the majority of our customers find that there are sufficient funds for each semester, some frequent diners may choose to purchase a Flex Dining Plan to supplement the Mandatory Plan.

**EAGLE BUCKS (OPTIONAL)**

We do recommend adding a small amount of Eagle Bucks for laundry and bookstore usage.

You can make immediate deposits to your optional accounts through your Agora Portal at portal.bc.edu. Parents can make deposits at portal.bc.edu/webpayment.

The University accepts e-checks (electronic withdrawal from your checking or savings account), VISA, or MasterCard for optional Flex Dining and Eagle Bucks accounts. You may also charge up to $100 to your student account if your account is paid in full. Cash or checks are not accepted for optional account deposits.

To view the activity of your dining accounts log on to your Agora Portal at portal.bc.edu and select “My Services” and “Eagle One Card Activity Summary” under “Account and Personal Info.”
We provide a program for all first-year students that combines a Mandatory Dining Plan and Dining Bucks. This plan also serves anyone living in a residence hall that does not have individual cooking facilities. Our program is designed to allow students to purchase what they want, when they want. Because our program is an essential part of the residential life experience at Boston College, it is required as part of the Residence Hall Contract for students living in Upper Campus, Newton Campus, Walsh Hall, 66 Commonwealth Avenue, Greycliff, Vanderslice Hall, 90 St. Thomas More Road, and Stayer Hall.

Mandatory Dining Plan $ 2,429
Dining Bucks $ 175
Total Semester Cost $ 2,604

MANDATORY DINING PLAN
You will receive $2,429 per semester in mandatory dining dollars to spend at qualifying on-campus dining locations. Any remaining fall semester funds will be carried over to spring semester in the same academic year. At the end of the academic year, any remaining balance will be forfeited.

This account also provides $175 per semester in Dining Bucks, designed to give you even more flexibility in buying meals other than those provided by the Mandatory Dining Plan. Dining Bucks can be used at specialty dining locations, concessions, and vending machines. Any balance remaining at the end of the academic year will roll over to the next year. Upon graduation a 100% refund on any balance over $5 will be applied to your student account.

FLEX DINING PLAN (optional)
The Mandatory Meal Plan is based upon the dining habits of the average BC student. While the majority of our customers find that there are sufficient funds for each semester, some frequent diners may choose to purchase a Flex Dining Plan to supplement the Mandatory Plan. See reverse for more details on this plan.

FREQUENTLY ASKED QUESTIONS

How do I purchase the Mandatory Dining Plan?
All first-year students and anyone living in a residence hall that does not have individual cooking facilities will be automatically billed for the Mandatory Dining Plan. If you’ve completed the Residential Room & Board Contract as directed in the summer, your Mandatory Dining Plan will be active upon University registration approval. Students who wish to supplement the Mandatory Plan can sign up for a Flex Plan through the Agora portal at portal.bc.edu.

Can I cancel my Mandatory Dining Program contract?
Only if you are withdrawing from school or have been given a housing reassignment to a residence hall that does not require the plan. A pro-rata refund schedule with specific guidelines can be found in the University Catalog, which may be obtained upon request from the Office of Student Services.

Can I bring guests to a meal?
Yes! Guest meals may be paid for with your Mandatory Dining Program funds or any of your Eagle-One accounts as long as you accompany your guests. Your guests may also pay with cash.

What should I do if I run out of Mandatory Dining Program funds before the year ends?
If you run out of Mandatory Dining Program funds, you may add additional funds to one of our optional Eagle-One accounts. Deposits to Dining Bucks can be made at any time during the year through Agora. Please visit our website for more information.

FLEX DINING PLAN (optional)
The Flex Dining Plan can be used at any of the 13 campus dining locations and gives you extra spending power through bonus dollars and discounts. These declining balance accounts are maintained through your Eagle-One Card, and outstanding balances roll over to the next academic year—or are refunded after graduation.

How do I sign up for the Flex Dining Plan and other optional Eagle-One accounts?
Online! Once you’ve activated your Agora account you may go online anytime to make deposits to our optional accounts. Step-by-step instructions on how to make deposits can be found on our website.
Parking and Transportation Information

PARKING PERMITS

Parking permits are not readily available to residential students. The rare exceptions made for junior or senior students must be approved by the appropriate academic or administrative department. Freshman resident students are not eligible for a parking permit.

If you are an undergraduate commuter student, you may purchase a parking permit if, during the academic year, you live off campus at a radius greater than one mile from public transportation lines. If you live in the following cities or towns, you do not meet this requirement and do not qualify for a commuter parking permit: Allston, Brighton, Boston, Chestnut Hill, and Brookline. You are expected to use your personal academic year address, not the address of a family or friend, when applying for a parking permit. If you do not provide an accurate academic year address, you risk disciplinary action including loss of parking privileges at Boston College and loss of parking permit fee refund.

When applying, an undergraduate commuter student must submit the following:

- A parking application, which can be downloaded from www.bc.edu/offices/transportation/forms.html
- A copy of a Certificate of Insurance listing you as an insured driver of the registered vehicle
- A valid vehicle registration in your name or that of an immediate family member
- Proof of qualifying residency in your name, such as a lease, bank statement, or utility bill

MBTA “T” PASSES

Boston College is pleased to offer its students the opportunity to purchase monthly MBTA passes for the semester at an 11% discount, which allows for unlimited usage on the MBTA. The deadline to purchase these passes is August 9, 2016. Visit www.bc.edu/offices/stserv/mbta.html for more information.

Students who will only use the MBTA occasionally throughout the semester would be better served by purchasing a stored-value Charlie Card available for purchase at many MBTA stations or on the web at www.mbta.com.

Please make your decision and purchase carefully. Double check the routes you anticipate traveling to insure that the pass you purchase allows for your intended route. There is absolutely no cancellation, refund, or changing pass types after a purchase is made. The MBTA does not allow changes.

FOR MORE INFORMATION

All questions regarding parking and transportation should be directed to the Office of Transportation and Parking at transportation@bc.edu or 617-552-0151. For more information including parking rules and regulations, inter-campus transportation, commuting aids, maps, directions, and a host of links to the Greater Boston area, visit the following websites:

Degree Audits, Enrollment Certifications, and Transcripts

DEGREE AUDITS

The degree audit is a computer-generated analysis that enables you and your faculty advisor to assess your academic progress by matching the courses that you have completed or have registered for against your degree and major requirements.

Degree audits may be run at any time against a current or simulated major. You will also receive a degree audit from your faculty advisor before every registration period until you graduate. Review your audit carefully in consultation with your faculty advisor before you register.

If a course on your degree audit is not being counted correctly, contact your Academic Recorder (Morrissey College of Arts and Sciences: Mary McCrosson, 617-552-4974; Carroll School of Management, Connell School of Nursing, and Lynch School of Education: Terry Rezzuti, 617-552-4984). If you want a course to count for a requirement that it does not usually fulfill, obtain a Degree Audit Course Substitution and Waiver Form from the Office of Student Services and take it to the department for approval. Return the form with the appropriate approval to the Office of Student Services for processing.

For questions concerning Advanced Placement credit, contact the Office of Transfer Admission (617-552-3295).

ENROLLMENT CERTIFICATIONS

The National Student Clearinghouse will process fall 2016 deferment forms after September 9, 2016, in accordance with Federal regulations.

If you need an enrollment certification for deferment of a student loan, mail the forms to the Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467, or stop by Lyons Hall. Your deferment form will be forwarded to the National Student Clearinghouse.

If your enrollment certification does not require an official school seal or signature, you may process the certification online through your Agora Portal at portal.bc.edu. Select “My Services” and then “Enrollment Certification Request” from the “Academics and Courses” list.

TRANSCRIPTS

Your authorization is required in order to release your transcript records. You can do this electronically via the web, on paper via mail or fax (617-552-4975), or in person in Lyons Hall (requires picture ID). Requests received via the web are faster, easier, and more secure. Transcripts sent via fax are unofficial. There is no charge for transcripts unless FedEx is selected as the mode of delivery. For further information, visit www.bc.edu/transcripts.

During grading periods, transcripts will be held until all your grades are posted.
Requesting a Transcript via the Web

Use the transcript request and transcript status tracking features in your Agora Portal at portal.bc.edu. Click on “My Services” and then “Transcript Request and Status” under “Academics and Courses.” Review the information on the screen, add any additional information, and submit your request, which will be received immediately and processed as soon as possible. Use the status tracking page to follow your request. Your password acts as the authorization to release your record.
**Student Code of Conduct**

The University Code of Student Conduct reflects the ethics, values, and standards of the University community and its concern for all its members.

The Student Conduct System is in place to ensure an environment that fosters the intellectual, personal, ethical, psychological, social, and spiritual potential of all students. In keeping with the mission of Boston College, a conduct system should be, first and foremost, educational in nature.

Self-discipline, knowledge of limits, proper exercise of freedom, responsibility for judgment, and accountability for actions are all critical components of personal formation. When behavioral standards on or off campus are violated, an appropriate response will be forthcoming from the University.

All Boston College students, graduate and undergraduate, are expected to comply fully with all the policies and procedures listed in the *Student Guide*. The guide can be found at www.bc.edu/publications/studentguide.html.
University Communication Policies and Student Responsibilities

Official communications of the University with its currently-enrolled students, including notices of academic and administrative matters and communications from faculty and administrative staff, may be sent via postal service, campus mail, or e-mail. To assure that these communications arrive in a timely manner, all enrolled students have the following responsibilities:

Postal service and Campus mail: For purposes of written communication, the student’s local and permanent addresses on record at Student Services will be regarded as the student’s official local and permanent residences. All students have a responsibility to provide both local and permanent mailing addresses, and to enter corrections via the Agora Portal if the addresses are not accurate in university records. Students should review their address record for accuracy at the beginning of each semester, and again soon after submitting any corrections.

Students who are studying abroad have a responsibility to provide their local international address via a link on the Office of International Programs website.

E-mail: The University recognizes and uses electronic mail as an appropriate medium for official communication. The University provides all enrolled students with Boston College e-mail addresses, as well as access to e-mail services from computer stations at various locations on campus. All students are expected to access their e-mail accounts regularly, to check for official University communications, and to respond as necessary to such communications.

All student responses to official e-mail communications from the University must contain the student’s Boston College e-mail address in the “From:” and “Reply To:” lines, and should originate from the student’s Boston College e-mail address, to assure that the response can be recognized as a message from a member of the University community.

Students may forward their e-mail messages from their Boston College e-mail address to non-university e-mail systems, if they wish. In such cases, however, students shall be solely responsible for all consequences arising from such forwarding arrangements, including any failure by the non-university system to deliver or retain official University communications. Students should send test messages to and from their University e-mail account on a regular basis, to confirm that their e-mail service is functioning reliably.

Get a Head Start: Voter Registration

Boston College believes that every student has a responsibility to be an engaged community member. To that end, we have partnered with TurboVote to provide you with the information and materials you need to vote in every election from local to presidential.

TurboVote allows you to easily register to vote online, verify or update your voter registration, request an absentee ballot form by mail, and sign up for text and/or e-mail election reminders. You may learn more about this service at www.turbovote.org. For more information about voter registration visit www.bc.edu/offices/stserv/voterinfo.

Notice of Non-Discrimination

Founded by the Society of Jesus in 1863, Boston College is dedicated to intellectual excellence and to its Jesuit, Catholic heritage. Boston College recognizes the essential contribution a diverse community of students, faculty and staff makes to the advancement of its goals and ideals in an atmosphere of respect for one another and for the University’s mission and heritage. Accordingly, Boston College commits itself to maintaining a welcoming environment for all people and extends its welcome in particular to those who may be vulnerable to discrimination on the basis of their race, color, national origin, sex, religion, disability, age, marital or parental status, sexual orientation, military status, or other legally protected status.

Boston College rejects and condemns all forms of harassment, wrongful discrimination and disrespect. It has developed procedures to respond to incidents of harassment whatever the basis or circumstance. Moreover, it is the policy of Boston College, while reserving its lawful rights where appropriate to take actions designed to promote the Jesuit, Catholic principles that sustain its mission and heritage, to comply with all state and federal laws prohibiting discrimination in employment and in its educational programs on the basis of a person’s race, color, national origin, sex, religion, disability, age, marital or parental status, genetic information or family medical history, or military status, and to comply with state law prohibiting discrimination on the basis of a person’s sexual orientation.

To this end, Boston College has designated its Executive Director for Institutional Diversity to coordinate its efforts to comply with and carry out its responsibilities to prevent discrimination in accordance with state and federal laws, including Title VI, Title IX, Section 504 and the ADA. Any applicant for admission or employment, and all students, faculty members and employees, are welcome to raise any questions regarding this notice with the Executive Director for Institutional Diversity:
