2016-2017 Academic Year Financial Aid Application Process

January to March 15

2016-2017 Free Application for Federal Student Aid (FAFSA)
The FAFSA must be completed online at www.fafsa.ed.gov after January 1, 2016, as it can take several weeks for Boston College to receive the processed data. In order to be considered “on time,” the federal data must be processed and received by Boston College no later than April 15, 2016. Make sure to note Boston College’s Federal School Code (002128) on your FAFSA, and electronically sign your FAFSA. Once the information is processed by the FAFSA Processor, students are responsible for resolving any conflicts reported on their Student Aid Reports (SARs). Suggested Filing Date: No later than March 15, 2016.

Note: SFWS applicants must file their FAFSA online no later than January 22, 2016.

April 15

2016-2017 Boston College Continuing Student Law School Financial Aid Application
All continuing law students interested in renewing or applying for financial aid must complete the 2016-2017 Financial Aid Application. Applicants must complete every question on the form. If a question does not apply, note “N/A” in the space provided. If questions are left blank, your application will be returned to you for completion, and this will delay the review of your file. Any special circumstances you would like us to consider may be addressed in either the Special Circumstances section or on an addendum included with the application. We recommend that you make a copy of your application for your records prior to mailing it.

Deadline: April 15, 2016

Please be certain to carefully review your Student Aid Report (SAR) that you receive from the FAFSA processor for any additional requirements, especially if your FAFSA has been selected for federal verification or it has been rejected through the FAFSA processing system. Additional requirements may be added by the FAFSA processor in subsequent data updates. You can check any additional requirements by logging into your Agora Portal at portal.bc.edu

2016-2017 Loan Application Process

Warning: Many students delay completing this requirement and, as a result, do not receive their loan funds until late into the academic year.

2016-2017 Federal Direct Stafford Loan Application
All Federal Stafford Loans are processed through the Federal Direct Loan Program. You must complete all application requirements and you will be notified of your eligibility for a 2016-2017 Stafford Loan. If you completed a Master Promissory Note (MPN) for a Stafford Loan for a prior year of law school, you will not have to complete another MPN. Once your loan has been originated, it will be linked to your existing MPN.
2016-2017 Graduate PLUS Loan Application
All Grad PLUS loans are processed through the Federal Direct Loan Program. You must complete all application requirements. If you completed a Master Promissory Note (MPN) for a Grad PLUS loan for a prior year of law school, you will not have to complete another MPN. Once your loan has been originated, it will be linked to your existing MPN. Please note that although you do not need to sign a new MPN each year, you must reapply for your Grad PLUS loan each year at www.StudentLoans.gov. You can determine your eligibility for a Grad PLUS loan by taking the school's yearly cost of attendance budget and subtracting all other financial aid. You may then borrow all or a portion of the remaining amount. Grad PLUS loan borrowers cannot have an adverse credit history. When you apply for a Grad PLUS loan, the Department of Education will check your credit history, and if you have an adverse credit history you may still receive a Direct Plus Loan if you obtain an endorser who does not have an adverse credit history.

Detailed information about the Federal Direct Loan Program can be found at www.StudentLoans.gov.
