2004-05	2,533	1,921	1,015	884	418	464	7,235
2005-06	2,417	1,858	1,045	954	381	513	7,168
2006-07	2,493	1,983	1,057	917	416	459	7,325

* Residence Assistants are included. Assistant Directors, Residence Hall Directors, Peer Ministers, and Resident Ministers are not included. Statistics refer to undergraduate day student residents only and are based on the normal planned occupancy of residence halls owned by Boston College. In recent years, the number of resident students has exceeded dormitory capacity and additional students have been accommodated by creating triple occupancy rooms. A summary of actual occupancy rates in September of each of the past ten years is shown on the following page.
