* Residence Hall Staff are included. Assistant Directors and Hall Directors are not included. Statistics refer to undergraduate day student residents only and are based on the normal planned occupancy of residence halls owned by Boston College. In recent years the number of resident students has exceeded dormitory capacity and additional students have been accommodated by creating triple occupancy rooms and, in 1991-92 and 1992-93, by leasing additional residence halls at Lasell College. Below is a summary of actual occupancy rates in September of each of the past ten years.
