REQUEST FOR F OR J STUDENT STATUS- DECLARATION OF FINANCES (DCF) FORM UNDERGRADUATE STUDENTS-WOODS SCHOOL

In accordance with U.S. government regulations, Boston College cannot provide a Certificate of Eligibility form (I-20 for an F-1 student visa or DS-2019 for a J-1 Exchange Visitor visa) until you submit evidence that you have sufficient financial resources to meet your expenses while studying in the U.S. Students usually satisfy the financial requirement through some combination of personal/family resources, support from their home governments or other sources, or assistance from Boston College. In computing expenses, you should remember that students holding the Student (F-1) or Exchange Visitor (J-1) visas have limited work opportunities. Therefore, the applicant should NOT rely on employment as a means of support while at Boston College. In addition, spouses who accompany students to the U.S. on the F-2 visa are not permitted to accept any kind of paid employment in the U.S. We are aware that the financial requirement may pose serious difficulties for many international students, but unfortunately, the university has no alternative in this matter. We sincerely hope that this will not prove to be a barrier to your pursuit of graduate study.

Students currently in the United States:

- If you are currently attending or have just recently attended a U.S. school in F-1 or J-1 student status (including those on F-1 Optional Practical Training or J-1 Academic Training), you must complete the required information on this form and request that your international student advisor (most likely the person who signed your I-20 or DS-2109) at your school transfer your SEVIS record to BC within 60 days (F-1) or 30 days (J-1) of the end of your studies or Practical/Academic Training. **Please see Part 3 for more information.**
- If you hold another visa status (J-2, F-2, H-4 etc.) please send documentation showing your current status AND contact the Office of International Students and Scholars (see contact info below) to determine if you will need to change your immigration status. *Note: Students in B-1 or B-2 (tourist) status and F-2 students are not allowed to study in a degree program and must change their status before beginning their studies.*
