

View/Print Your Grade Report Online

The Office of Student Services is now offering you the opportunity to view/print your grade mailer on-line. Please note that we will not be sending a printed Grade Mailer to your home address at the end of the semester.

To view your courses and grades:

1. Log on to your Agora account (agora.bc.edu). If you do not remember your username or pin number e-mail studentservices@bc.edu or telephone 800-294-0294.
2. Select “U-View Your Personal Records” and then “Current Courses and Grades Information”.

The “Current Courses and Grades” screen has all the information that was available on the printed grade mailer including:

- Courses and grades
- Semester credits, average, and points
- Cumulative GPA, credits, and points
- Rank/size of class
- Graduation term, degree, major, and minor

Student Services has also provided links for further information and included our telephone number and e-mail address for your convenience.

We strongly encourage you to access the on-line grade mailer. If you do want a printed grade mailer, select “Update Grade Mailer Preference” at the bottom of the screen. On the update screen, click the first button (“Send a print grade mailer to my home address every semester”) and you will receive a printed copy of your grades.

If you have any questions, feel free to e-mail (studentservices@bc.edu) or call Student Services (800-294-0294). Thank you.
