Texas A&M University

Trina Jackson
Network for Immigrants and African Americans in Solidarity

Last held in 2000, the African & African Diaspora Studies Program (AADS) revives its "Blacks in Boston" conference series. The theme for this one-day event is "Blacks in Boston: Black . . . and Immigrant." This theme is designed to engage current issues in the US immigration debate, and to explore what black immigrants and immigration bring to this conversation.

Co-Sponsored by The Institute for the Liberal Arts (ILA)
