**Tech Trek to TripAdvisor**  
**Friday, January 29th from 11:00 am - 1:00 pm (Lunch provided)**  
You can sign up [here](#) on a first come, first serve basis. Since the TripAdvisor representative would like to have a number estimate asap, we're opening up signup bit early before the start of the semester.

TripAdvisor is the world’s largest travel site, enabling travelers to plan and book the perfect trip. TripAdvisor offers advice from millions of travelers and a wide variety of travel choices and planning features with seamless links to booking tools that check
hundreds of websites to find the best hotel prices. TripAdvisor branded sites make up the largest travel community in the world, reaching 350 million unique monthly visitors, and more than 290 million reviews and opinions covering more than 5.3 million accommodations, restaurants and attractions. The sites operate in 47 countries worldwide. We will be visiting their headquarter in Needham, MA.

We have the amazing opportunity to hear from these 3 people:

Steve Kaufer, CEO
Adam Medros, Senior VP of Product Management
Nick Shanny, Senior VP of Engineering

We will be taking a bus to and from TripAdvisor. Plan to meet at the Conte Forum (plex side) no later than 10:20am. The bus will depart 10:30am sharp.

Alternatively, you can meet us at the company office no later than 11:15am. Attire is business casual.

RSVP is limited to 60 people. **We can’t stress enough -- if you cannot go on the TechTrek, please do not sign up. If you need to cancel, do so at least 24 hours before the visit time.** Since we give companies a list of attendees prior to the visit, it reflects poorly on BC when they expect a certain number of people and many fewer show up. It also prevents students who actually want to come from attending.

We will penalize no-shows by forwarding their names to the admissions committee for competitive programs like Undergraduate TechTrek West and TechTrek NYC.

**Save the Date:** The Corcoran Center for Real Estate and Urban Action, together with the Rappaport Center for Law and Public Policy at Boston College Law School have secured Mayor Marty Walsh as a speaker for a unique event at Robsham Theater on March 30th at 5:00 pm.
The event will present *Imagine Boston 2030*, which is the first city-wide planning initiative in over 50 years. At the event, Mayor Walsh and his team will be presenting the strategic vision and a panel of experts will discuss the opportunities and challenges involved. We are excited that they've selected Boston College as a platform for this effort. We are now working with the City of Boston to identify sites across the neighborhoods of Boston, where the event will be simulcasted, to make this a city-wide opportunity for participation.
