Important Ceremony Information
**NO bags, backpacks or luggage will be allowed into the main ceremony during the commencement ceremony.**

- More information can be found here: Undergraduate Student Commencement Guide
- Access the Commencement mobile site at bc.edu/2016 for a complete guide to commencement.

All members of the Class of 2016 are permitted to participate in the University Commencement Ceremony in Alumni Stadium. However, any senior who is not receiving a degree due to lack of courses or failures, including those incurred this semester, will not be permitted to participate in the individual awarding of the diplomas without prior permission.

NOTE: It is important that those not graduating fully understand that they are not permitted to sit with the diploma recipients in Conte Forum without prior permission from Associate Dean Richard Keeley.

Seniors still job searching:
Often up until graduation and the summer after we will receive emails from employers looking to connect with BC seniors who have not found jobs yet. So that we don't miss anyone we would like to keep track of you so that we can get interesting opportunities your way. Please fill out this very brief survey and attach your resume, it simply asks type of job you are looking for and geographic preference. If you find something just let us know and we will take you off the list.
Also please feel free to meet with Amy Donegan to discuss strategy, just to make sure you are covering all of your options to find a job. Remember if you are not networking and using your BC network you are not giving yourself the best shot. Attached is a script for contacting alumni and make sure you use LinkedIn to track BC alumni at any organizations that you are looking at jobs for. If you are not sure how to find alumni using LinkedIn stop by for some help with either Amy or Kristen in Fulton 315:

Kristen Nervo, Tuesday, 2-4, Wednesday 3-5
Amy Donegan, M,T,W,Th 1-3

All office hours are in Fulton 315 except on Wednesday from 1-3 both Amy and Kristen are available for help at Dean's Coffee.

McAdam Financially Advanced “Last Chance” Interview Day - Financial Advisor/Wealth Manager position

Wednesday, April 27 at 84 State Street, Boston

McAdam is still searching for candidates who might be interested in a Financial Advisor/Wealth Manager position within the firm. We reached out to BC students, earlier this semester, and had great success, so we were hoping to reach out one last time before we wrap up our college recruiting!

McAdam will be hosting a "Last Chance" Interview Day on Wednesday, April 27th. Our leadership team will be conducting interviews that afternoon, at our office (84 State Street), following an online webinar session, which will be conducted by our Vice President, Bob Carroll! During this webinar, Bob will go over topics, such as training, leadership development, licensing, client acquisition, as well as compensation. This webinar session will give students the opportunity to ask him any questions that they may have and see if the position would be a good fit for them. Any student who is interested in applying can send an updated copy of their resume to bostonrecruiting@mcadamfa.com.

Congratulations to the recipients of the Carroll School Coughlin Distinguished Teaching Awards: Prof. John Neale and Prof. Rob James!

Congratulations to Madeline, Lauren, and Connor for their achievement in the International Business Ethics Case Competition!

A team of three Boston College Juniors attended the 3 day International Business Ethics Case Competition 2016 held in Cambridge, MA this year. The IBECC brought together students from across the globe to present an ethical case in which students explain the legal, financial and ethical dimensions of the problem and then recommend a solution. The case the students analyzed was titled: Google Books: Liberating the World’s Information, or Appropriating It? The competition was sponsored by Loyola Marymount University and University of St. Thomas. The BC team consisted of Madeline Cortes, Lauren Wedell and Connor Desmond. They came in second place in their division.
Maria Daniela Concha Neme, CSOM '16, has started a GoFundMe campaign to help raise relief funds for those devastated by the earthquakes in Ecuador, on behalf of BC.

The funds will be going to the International Medical Corps, who will be allocating the funds for medical assistance and shelter reconstruction. If you are interested in donating, please look for the "Boston College for Ecuador" on www.gofundme.com/.
