Still looking for a course for the fall?

Business and Professional Speaking (MHON112602)
Monday, 9:00 am – 11:30 am with Professor Stacy Schwartz

This course is designed to be an introduction to the theory, composition, delivery, and criticism of speeches. Individual as well as group speaking assignments will be used to help the student become more comfortable and confident in speaking situations. The following areas will be developed: the uses of evidence, the development of clear organizational structure, and the development of a dynamic presentation style. The student will also examine speaking from the audience perspective, and learning ways to analyze and evaluate the oral presentations of others.

As part of her senior year independent study, Danielle Dalton (CSOM '16) is conducting a survey about Instagram.

It would be a huge help if you could take the survey ([available here]). It only takes 3-5 minutes. As an added bonus, everyone who takes the survey is entered to win a $100 Amazon gift card!
Sub Turri yearbook position available

BC's yearbook, Sub Turri, is looking for a Communications/Marketing student interested in running our social media platforms and generating new marketing strategies to bolster sales. The ability to brainstorm and implement creative marketing campaigns is a must, and experience with graphic/digital design is preferred. This student will meet with the editorial and business staff once a week to plan upcoming events and campaigns and report social media progress. If you are interested, please contact the Sub Turri Business Staff through our email, subturribusiness@gmail.com.

this week NEWS

Congratulations to the recipients of the Carroll School Coughlin Distinguished Teaching Awards: Prof. John Neale and Prof. Rob James!

Congratulations to Madeline, Lauren, and Connor for their achievement in the International Business Ethics Case Competition!

A team of three Boston College Juniors attended the 3 day International Business Ethics Case Competition 2016 held in Cambridge, MA this year. The IBECC brought together students from across the globe to present an ethical case in which students explain the legal, financial and ethical dimensions of the problem and then recommend a solution. The case the students analyzed was titled: Google Books: Liberating the World’s Information, or Appropriating It? The competition was sponsored by Loyola Marymount University and University of St. Thomas. The BC team consisted of Madeline Cortes, Lauren Wedell and Connor Desmond. They came in second place in their division.

Maria Daniela Concha Neme, CSOM '16, has started a GoFundMe campaign to help raise relief funds for those
devastated by the earthquakes in Ecuador, on behalf of BC.

The funds will be going to the International Medical Corps, who will be allocating the funds for medical assistance and shelter reconstruction. Any donation, even $1, to the cause would be extremely meaningful as every single dollar raised will be helpful to those affected by the earthquakes. If you are interested in donating, please look for the “Boston College for Ecuador” on www.gofundme.com.
