Still looking for a course for the fall?

Business and Professional Speaking (MHON112602)

Monday, 9:00 am – 11:30 am with Professor Stacy Schwartz

This course is designed to be an introduction to the theory, composition, delivery, and criticism of speeches. Individual as well as group speaking assignments will be used to help the student become more comfortable and confident in speaking situations. The following areas will be developed: the uses of evidence, the development of clear organizational structure, and the development of a dynamic presentation style. The student will also examine speaking from the audience perspective, and learning ways to analyze and evaluate the oral presentations of others.

Still need to take Business Statistics? Take it this summer at Boston College!
