**Sophomore Diversity Leadership Program :**

The Sophomore Diversity Leadership Program was developed to attract high caliber talent to Citi in accordance with our Diversity Recruiting Mission Statement. The goal of the program is to provide students with a 10-week summer experience and an introduction to our Investment Banking and Sales & Trading businesses, while working with and being mentored by our business professionals. Successful Sophomore Analysts will be considered for our Diversity Scholars Program and for our Junior Summer
Analyst Programs (placement will be based on personal interest and the needs of the firm). To learn more about Citi's Diversity Scholars Program and our diversity partners, please visit: http://www.oncampus.citi.com/diversity/north_america/citi_div_scholars_-_junior1.aspx

Structure:

- 10-Week Internship.
- One week Citi orientation and training.
- Nine-week direct placement within Investment Banking or Sales & Trading.
- A formal summer review process including a mid-summer and a final summer evaluation.

Qualifications:

- Must be a sophomore pursuing a Baccalaureate Degree.
- Open to all disciplines and majors.
- GPA: 3.5 or above.
- Compensation: Competitive.
- Location(s): New York, NY.
- Must be authorized to work in the United States and must not require sponsorship for employment visa status. (This is a program for which we will not sponsor individuals for work authorization.
- Rising junior with distinguished academic achievement and demonstrated leadership activities, interest in financial services or banking, high level of personal integrity and commitment to excellence, enthusiasm, energy and a strong desire to learn.

How To Apply:

To be considered for the Sophomore Diversity Leadership Program, you must apply through Citi’s website at http://www.oncampus.citi.com/. Under Vacancy criteria, select US, Institutional Clients Group, Summer Analyst, Sophomore Diversity Leadership. Candidates that do not apply through our website will not be considered for this program. Please note: If you are applying for the Sophomore Diversity Leadership Program, we also encourage you to apply for the Diversity Scholars Program listed on our website.
UBS

UBS President’s Summer Internship Program:

A 10-week intensive rotation through multiple business areas of UBS. At the conclusion of the program, you will understand how a financial services firm operates, enabling you to clearly identify where your preferred areas of interest may lie. This experience will provide you with an unparalleled platform for your career. Your exposure may include—but will not be limited to—the following areas: Group Technology, Operations, Investment Banking, Securities, Office of the COO, and Wealth Management.

Eligibility Requirements: The President’s Summer Internship Program is available to sophomores who have demonstrated outstanding academic achievement, possess strong analytical skills and are enthusiastic about the financial services industry.
• Currently enrolled as a sophomore
• Minimum 3.4 GPA
• All majors welcome to apply

Program deadline: Typically in early January. All interested candidates should apply at ubs.com/graduates. Requires a resume and an essay submission (500 words or less)
Location: UBS offices in New York City, New Jersey, and Stamford, Connecticut
Program Dates: June through August

UBS Sophomore Symposium:

A three-day, expenses paid immersion into the world of finance. The program provides sophomore students with an opportunity to jump-start their careers through an exciting, hands-on introduction to businesses, which may include: Finance, Operations, Group Technology, Risk, Investment Banking, Securities, Office of the COO, and Wealth Management.

Features of the Program: The program will include a tour of the world’s largest trading floor (UBS offices in Stamford, CT), a sales and trading simulation exercise, the opportunity to hear from senior speakers, networking with recent graduates in both individual and small group settings, as well as building relationships with peers through team-building exercises.

Eligibility Criteria: The program is available to students who have completed their sophomore year and have demonstrated outstanding academic and extracurricular achievement, possess strong interpersonal skills and are enthusiastic about and committed to the financial services industry.
• Currently enrolled as a sophomore
• Minimum 3.4 GPA
• All majors welcome to apply

Program deadline: Typically in early March. All interested candidates should apply at ubs.com/graduates. Requires a resume and an essay submission (500 words or less)
Location: UBS offices in New York City and Stamford, Connecticut
Program Date: Typically late May
Barclays Capital

**Generation Next Sophomore Internship Program:**

Are you seeking a hands-on opportunity to gain exposure and the skills necessary to pursue a career at an investment bank? Do you want to understand what really happens on Wall Street? The Generation Next Program aims to attract and identify high achieving underrepresented candidates (women, African Americans, Hispanic/Latino Americans, LGBT, Native Americans, and students with disabilities). Applicants should possess a combination of academic and leadership skills as well as a demonstrated passion for the industry. Internship opportunities are available in our Investment Banking, Global Markets, Human Resources, and Operations businesses.

**Program Highlights**
- 10-week internship program in New York with on-site training
- Mentorship and feedback throughout the summer
- Leadership and skill development training
- Firm wide networking opportunities

**Financial Management Program Intern (FMP Intern)**

The Financial Management Program Internship is a project-oriented work assignment designed to offer hands-on finance experience in the GE Finance Team. Internships vary in scope. Most assignments are 10-12 weeks in length providing exposure to areas such as financial analysis, general accounting, project analysis, manufacturing accounting or auditing. The assignment provides an opportunity to have a real impact on business issues. Interns are challenged to help develop innovative solutions to respond to dynamic business conditions.

Program deadlines: Early February

Nationwide (United States)
Description: Business/Program: Financial Management Program
Minimum GPA: 3.0

*Current School Level: Sophomore, Junior*

**Thomson Reuters**

**Programming Internship:**

Location: Ann Arbor, MI, U.S.

Passionate about programming and beyond? Here’s your chance to test your creativity and innovation. During this full-time, paid internship in Dexter, Michigan, you will help develop our accounting software and services using the latest Microsoft technologies. You will be encouraged to think outside the box to offer solutions or suggestions that will enhance our software programs.

As an intern, you will receive two weeks of product/process training. With ongoing mentoring by our experienced programmers, you’ll transform classroom theory into real-life practice. The
knowledge you gain during your internship will give you the skills necessary to transition into the workforce, or possibly into a full-time position on our staff.

**Eligibility Criteria:**

- Students pursuing a computer science degree or equivalent curriculum.
- Completion of at least one or two college-level classes or other formal training on C++ or C#.
- Strong written and verbal communication skills.
- An effective multitasker.
- Experience with Microsoft Visual Studio (a plus, but not required).
- Full-time availability from early May through mid-August.

**Deadlines:** Apply online. Applications accepted through December 1.

*Sophomores are also eligible for the “Sales Internship” and “Technology Internship”. Application process is the same as for the “Programming Internship” mentioned above. More information for these internships can be found here: [http://careers.thomsonreuters.com/students/bachelors-masters/](http://careers.thomsonreuters.com/students/bachelors-masters/)

**Students have also stated that they have interned at companies such as Merrill Lynch, MTV (although website says internships are open to college juniors and seniors...), Daversa Partners, Johnson & Johnson, McKinsey, Kraft, Covidien, and Liberty Mutual to name a few.
