CALL FOR CONFERENCE PRESENTATION PROPOSALS TO ALL BCSSW ALUMS

Consider taking part as a presenter in a full-day conference on Saturday, September 17 that will be planned BY and FOR BCSSW alums. The conference will be an opportunity for alums to showcase a variety of innovative professional social work activities and programs in which they are involved that make a difference in improving the lives of others. This will be the fourth time we have held such a Conference. In addition to sharing innovative ideas about practice and service delivery, it serves as a great opportunity to re-connect with old friends and to meet new ones! We expect that the day will be filled with 12 presentations (each one 75-minutes in length) given by alums on various topics from clinical and macro practice. Presenters may use PowerPoint technology if so desired.

**Conference Theme:**
“Ever to Excel: All Things Social Work”

**Date and Time:**
Saturday September 17, 2016 from 9AM-5PM

**Location:**
The Heights, Boston & Newton Rooms, Corcoran Commons,
Boston College Chestnut Hill Campus

**Presenter’s Fee:**
Only $50… compared to the already discounted fee of $70 for non-presenters.

**CEUs Awarded:**
7.0

There are many big changes coming during the 2016-2017 academic year. We will be welcoming our new Dean, Gautam Yadama, and also be saying farewell to Dr. Vincent Lynch who has been our Director of Continuing Education for 30 years. We will spend some time at our Conference reflecting on these important new developments in the life of our School. Just a reminder, 2016 is a re-licensure year. Make sure you complete your CEU requirements by September 30, 2016.

**INTERESTED?**
If you’d like a presentation proposal to be considered for the Conference send us your title, a 200 word summary of the topic’s content and complete contact info for the presenter(s). Proposals can come from one presenter or multiple presenters. In the case of multiple presenters there should be at least one BCSSW alum represented. We need to have your proposal received no later than **AUGUST 10, 2016** in order to receive full consideration. Proposals will be reviewed by a team of SSW alums. They will be accepted on a “rolling basis” so it is to your advantage to send us your submission as early as possible. Once we accept twelve presentations we will not be able to consider any additional ones. If you have any questions at this time, feel free contact Kellyann Stewart at 617.552.0865

Send your completed submission to: [gsswalum@bc.edu](mailto:gsswalum@bc.edu)

Hope to hear from you!
