Honor Your Milestone with a Reunion Gift

Reunion is a time to reconnect with friends and to reflect on the impact that BC Law has had on your life. Join your classmates in making Boston College Law School a philanthropic priority. Demonstrate your appreciation and continued support by contributing to your reunion class gift.

Your gift will have great impact. It will support the continued excellence of the Law School and increase the value of a Boston College Law School degree. Making your gift to the Law School Fund provides support for essential BC Law priorities, from student scholarships to faculty research to assistance for those pursuing a career in public service.

The reunion gift campaign is in full swing, and all gifts to the Law School will count toward your class gift. All donors who make gifts to the reunion campaign will be featured in a special Reunion Honor Roll of Donors, to be displayed at Reunion Weekend and in BC Law Magazine.

The classes with the highest participation and greatest amount raised will receive special acknowledgment.
