We’re here to help you!

Undergraduates AND graduate students — whether you want assistance with job search strategies, summer and internship opportunities, choosing a career direction, networking with alumnis, writing resumes and cover letters, or writing a grad school application, the staff of the Career Center is available to help.

STAY INFORMED — SIGN UP at careeredge.bc.edu to receive blog posts and news about upcoming events. CHOOSE “Human Services, Non-Profit, & Education” and any other topics you like! (Undergraduates are already signed up.)

Career Chats — learn, participate, engage!

Develop the career-related skills you need, in an informal, small-group setting. Peter Hunt (or a guest speaker) leads each Chat with a 5-to-10-minute talk on the topic, then facilitates a discussion where students learn from each others’ experiences.
