

## Ph.D. / Counseling Psychology

CLASS ENTERING 2005

TO BE SUBMITTED BY THE FALL SEMESTER OF THE 2ND YEAR IN THE PROGRAM

This Program of Study is to be used by those students entering the doctoral program **with** a Master's degree in Counseling or a related area. Required courses must be taken as part of your graduate program to fulfill APA accreditation criteria.

In planning this Program of Studies, you should plan in close collaboration with your faculty advisor. Together, you will review your previous graduate study and arrive at a sound professional training program conforming to the standards established by Boston College and the American Psychological Association.
