CLASS ENTERING 2011

NOTES

* All TELL candidates must complete a non-credit workshop on administering and scoring the MELA-O in order to be considered highly qualified in Massachusetts to teach in an SEI classroom.

* *Insert a T (transfer) or W (waiver) as appropriate. If seeking a transfer of credits, you must also fill out a “transfer request form” available online. If requesting a waiver, you must attach an official transcript to this form. Students are strongly discouraged from applying for waivers for the pre-practicum experience. Waivers will only be granted to students with *extensive* teaching experience in the appropriate discipline and at the level of licensure that is sought.

***Completing these courses of study does not guarantee licensure. For teaching in Massachusetts, you must pass the Massachusetts Tests for Educator Licensure (MTEL) and apply for licenses from the Massachusetts Department of Education. Other rules apply in other states and countries.

Other TELL notes: Participants are expected to work with ELL students during the course of study. Consult with your advisor.
