No Child Goes Homeless: Taking Stock of the Past and Present and Planning for the Future
DSNI’s Mission

The Dudley Street Neighborhood Initiative's (DSNI) mission is to empower Dudley residents to organize, plan for, create and control a vibrant, diverse and high-quality neighborhood in collaboration with community partners.
The Dudley Neighborhood
Project Hope

Project Hope’s mission is to work in partnership with families so they can move up and out of poverty.

We do this by:

❖ being a catalyst for change in the lives of families and in the systems which keep them poor;
❖ developing and providing family support solutions to homelessness and poverty; and
❖ advocating for just public policies that strengthen families.

● Building on our success
What we want to do today:

- Provide a fuller picture of NCGH’s vision, partnership, and operations → this morning.
- Surface needed resources and partners for NCGH FUTURE, and identify concrete roles for external stakeholders in its success → this afternoon.
- Identify priorities and next steps for moving into the next wave of NCGH.
Aligning our Work

NCGH TODAY
No Child Goes Homeless - Today

Goal: Families in Dudley neighborhood schools that are homeless or housing-insecure achieve (within 18 months of engagement) and sustain (over at least 3 years) housing stability in the neighborhood.

In achieving this goal, the NCGH partnership aims to mitigate the risks of housing instability for Dudley students by providing a solid ‘foundation’ for student-focused supports and services provided beyond NCGH.
