Are you passionate, inspired and committed to service for the common good? Do you want to enter into the world of international relief and development work?

**Become an intern at Catholic Relief Services**

An internship at Catholic Relief Services provides you with the professional experience, knowledge and skills to help you enter the world of international Non-Governmental Organizations. CRS offers you the opportunity to work with a diverse group of colleagues and gain exposure to the international relief and development world, including valuable contacts and useful references. An internship at CRS is an excellent way to develop your professional skills and explore the field of international development with a faith-based organization.

**Application for the 2016 Domestic Summer Internship program**

The Domestic Summer Internship program is CRS’ only paid internship program. The program takes place from June to August for a period of 10 to 12 weeks. In some cases the internship may extend beyond the summer months. Interns work in departments across the organization and are responsible for a variety of tasks based on their skill set and CRS needs. Interns receive regular guidance, direction and support from their supervisors to ensure a successful learning experience.
