Job Opening Theology Teacher Mullen High School is seeking to hire a faith-filled, energetic, committed person to teach Theology. The successful candidate must be a practicing Catholic who will relate well to high school students. The candidate will, through attitude and deed, model behavior that will draw students to our Catholic faith and have a firm understanding of teenage spirituality. This is a full-time position that requires flexibility to work occasional evenings and weekends throughout the school year.

Essential Job Functions:

• Provide clear and intentional focus on student achievement.
• Stimulate inquiry and engagement through project-based instruction,
• Prepare lessons based upon backwards design
• Grade student work, and maintain/update grades,
• Build and maintain positive relationships with students and instructional team,
• Utilize effective research-based instruction and evaluation
• Communicate effectively with students and families
• Periodically work outside the normal schedule in collaboration with colleagues.
• Instruct theology within the Bishop's Framework
• Demonstrate competency in integrating technology into classroom teaching
• Demonstrated competency of collaborative work
• Assist Pastoral Director in coordinating retreats
• Assist in promoting the retreat programs
• Assist in evaluating and implementing Mullen High School's retreat program
• Communicate and consult with others on the retreat planning
• Meet regularly with the Pastoral Department staff

Qualifications:

• A Bachelor's degree in Theological Studies or a related field; Master's degree is preferred.
• Teacher certification in any discipline is a strong asset.
• The applicant must have a strong commitment and desire to work with youth and adults in a collaborative environment to find ways of connecting the practice of our faith with real-world ministry experiences.
• The applicant must possess organizational and administrative skills to include, strong leadership, self-initiative, time management, attention to detail, and be able to problem solve while working under pressure.
• The applicant must possess effective oral and written communication skills with the ability to work well with diverse age groups.

Application Deadline:
April 15, 2016 Submit cover letter, resume, and three references.
