**(1) IRC Section 402(g) Catch-up Provision**

I have completed 15 years of service at Boston College, and I would like to utilize the Section 402(g) catch-up provision that will enable me to exceed the **\$15,500** limit on my contributions to the 401(k) and 403(b) plans (combined) for calendar year 2007. I understand that the amount (if any) by which I may exceed the limit will depend on the total of my previous salary reduction contributions, to be determined by the Benefits Office. To effect any catch-up amount for which I may be eligible I will complete an appropriate *Salary Reduction Agreement* and submit it to the Benefits Office.

**(2) EGTRRA Age-50 Catch-up Provision**

As of December 31, 2007, I will be age 50 or older, and I would like to utilize the age-50 catch-up provision for retirement contributions authorized by EGTRRA (**up to \$5,000** for calendar year 2007). I understand that, if I have completed 15 years of service at Boston College, I must first maximize any catch-up contributions for which I may be eligible under the IRC Section 402(g) catch-up provision [see (1) above]. To effect any catch-up amount for which I may be eligible I will complete an appropriate *Salary Reduction Agreement* and submit it to the Benefits Office.
