### ***The Episcopal Eagles***

The Episcopal Eagles meet on Wednesday evenings in the sixth floor lounge of “90” to share a simple meal, fellowship and worship together. We are a diverse group with a variety of faith perspectives and life experiences. So come as you are and be yourself! Everyone is welcome at the Lord’s Table!

Sunday worship services are available at several Episcopal churches that are either a short walk from campus or easily accessible by public transportation. Each community has its own unique personality and ministerial focus. If you would like to arrange a time to meet with the Chaplain and discuss your spiritual journey or worship needs, please call or email The Rev. Judith Stuart.

Several times each year, students from Episcopal-Lutheran Campus Ministries from throughout the Episcopal Diocese of Massachusetts come together for service and outreach, spiritual retreat, local/global pilgrimage and mission. Fall 2006 gatherings include a spiritual retreat to the Society of St. John the Evangelist (SSJE) in Cambridge, Massachusetts, an evening of Christmas Caroling in Harvard Yard, a fall urban plunge style weekend on Boston Common with Ecclesia Ministries, a winter break pilgrimage to Africa, a winter break outreach weekend to New York City, an Evening with the Bishop(s), and much more. Episcopal Eagles are also regularly involved in many Campus Ministry service and mission programs.

### **Mission of College Work in the Episcopal Diocese of Massachusetts**

“As baptized persons we are empowered by the Holy Spirit to participate in God’s mission of reconciling and restoring the whole creation. In campus ministry, our participation in God’s mission is institutional, interpersonal and transformational:

We work in settings that value knowledge, information and skill. Through ministries of prophetic engagement and systemic change, we call institutions of higher learning to promote wisdom, integrity and right action.

We work with young people who seek meaning and direction. Through ministries of personal engagement and holy hospitality, we call students and those who work with them to grow as disciples of Jesus Christ in their vocations.”

Peace in Christ, *Judith+*
