

Gearing Up for Winter Campaign

As the weather grows colder, low-income families struggle to provide their children with the essential gear they need to face the harsh New England winter. Cradles to Crayons (C2C) anticipates a 40% increase in requests for cold-weather gear this winter over last year.

Help keep kids safe and warm this winter by supporting our second annual **Gearing Up for Winter campaign**. **Gearing Up for Winter** aims to reach 12,000 of the Commonwealth's most vulnerable children with cold weather essentials - coats, boots, hats and gloves.
