On a separate page, please address the following questions:

1. What are your career goals? Where do you see yourself five years from now?
2. Do you have experience in working with older adults? (**Note: you do not have to have previous experience in working with older adults to participate in this program.**) Why are you interested in working with older adults?
3. Discuss the attitudes, experiences and skills that you bring to this project.

Please limit your essay to fewer than two pages of text.

To be considered for the HPPAE, you must be in good standing in the MSW program (i.e. no incompletes, no unresolved academic difficulties with Academic Standards Review, etc). By signing below, you give us permission to contact your first year field advisor and share information about your background with project staff and potential field instructors in the HPPAE.
