

## Jason Liu

Jason Liu is the newest member of the Law Library staff. Jason is a graduate of UMass, Boston, where he earned a Bachelor of Science degree in Management with a focus in Computer Science. Jason has worked at Boston University in the Network Services department since 2001 in various capacities. He has experience with web and database applications and has served as a computer user tutor for a community-based computer center.

Jason speaks Mandarin Chinese and is an avid photography hobbyist and antique camera collector. Please join us in welcoming him to Boston College.
