

# Off Campus Housing Fair

## FOR GRADUATE/LAW STUDENTS

**FRIDAY JUNE 20, 2008 10:00 am – 4:00 pm**  
**Heights Room, Corcoran Commons 2nd floor**

At the Housing Fair, you will meet with local rental agents who will be prepared to show you apartments around the BC area. Become familiar with the information on our website about general off-campus topics such as; Options for Living Off-Campus, Tenant Rights and Responsibilities, etc.

The Housing Fair is especially great for those who want to meet prospective roommates in person. To list yourself as a prospective roommate, and to search for established apartments where students need roommates, go online to the Off-Campus Roommate Finder; your BC pin number **is not required** to have access.

If you choose to live alone, in an apartment, are interested in renting a Room in a Private Home with a Family or in a Free Room & Board in Exchange for Services arrangement, you can be successful searching for this type of housing anytime throughout the summer. Your BC username and password are **required** to have access to our online listings. **Prior to having your BC credentials** you can request temporary access via our website. Our online listings are updated Monday through Friday.

The Off-Campus Housing Staff will be at the Housing Fair to guide you through your search. Also attending will be representatives from banks, furniture companies and the Massachusetts Bay Transit Authority (the "T").
