M.S.T. / Secondary Education

CLASS ENTERING 2007

NOTES

* Insert a T (transfer) or W (waiver) as appropriate. If seeking a transfer of credits, you must also fill out a “transfer request form” available online. If requesting a waiver, you must attach an official transcript to this form. Students are strongly discouraged from applying for waivers for the pre-practicum experience. Waivers will only be granted to students with *extensive* teaching experience in the appropriate discipline and at the level of licensure that is sought.

** Candidates seeking an M.S.T. Secondary Education in mathematics and the sciences are required to take a Comprehensive Examination in their A&S content area. Please consult your advisor to register for this examination.

***Completing these courses of study does not guarantee licensure. For teaching in Massachusetts, you must pass the Massachusetts Tests for Educator Licensure (MTEL) and apply for licenses from the Massachusetts Department of Education. Other rules apply in other states and countries.

Other TELL notes: Participants are expected to work with ELL students during the course of study. Consult with your advisor.
