

**Lesley University Graduate Internship  
Center for Undergraduate Academic Advising**

The Center for Undergraduate Academic Advising at Lesley University is seeking applicants for a semester long (or longer depending on degree requirements) unpaid internship working with the Student-Athlete Academic Support Program. Primary responsibilities include assisting the Student-Athlete Mentoring Program and special projects designed to support student athletes in the academic advising process. A Bachelor's degree, strong communication skills both written and oral, and knowledge of Microsoft Office are required. Experience in intercollegiate athletics or as a college athlete is helpful but not a requirement of the internship. Ideal candidates are students enrolled in Counseling Psychology, Student-Development, Education or Behavioral Science Masters programs. A minimum of 10 hours per week is required.

Please send letter of application, an academic recommendation, proof of current enrollment, and a current resume to Christy Belisle, Director of Student-Athlete Academic Support, Lesley University Center for Undergraduate Academic Advising, 29 Everett Street, Cambridge, MA 02138 or email [cbelisle@lesley.edu](mailto:cbelisle@lesley.edu).

Applications will be reviewed upon receipt. The position begins January 19, 2009.
