Higher Education Graduate Internship Position

Organization: Massachusetts Campus Compact - (MACC) web: www.masscampuscompact.org . MACC is the only state-wide higher education organization that college and university presidents engage with the communities for the purposes of strengthening the service-ethic in students, improve teaching, learning and community based research practices; and serve as active partners in addressing community needs.

A stipend will be offered depending on need: travel costs, conference registration fee, open to other possibilities.

Responsibilities

Assist Associate Director with tracking the yearly goals in MACC's strategic plan;

Evaluate website membership resources and recommend updated on-line training tools for member campuses;

Assess current member institutions support of civic engagement and produce a report for office

Other assigned duties by Executive Director depending on graduate intern's interests.
