Dear Teachers, Principals, Parents and Guardians,

Great News!!!

The Science Poetry Contest Winners are being scanned and the finished books should be ready in 3-4 weeks.

We have seen some sample prints and they look GREAT!

There will be two versions of the book: Elementary (grades K-5) and Middle school (grades 6-8). The anticipated cost for each full-color, bound book will be **$19**. If you would like a copy, please fill out the coupon below and return it to us and include your home address. In the event that this project cannot be completed by the end of the school year, we will mail the book(s) to you at home over the summer.

You may purchase the book using a check or money order. Checks should be made out to **George T. Ladd**. Please indicate that the check is for the **Book of Winners** in the memo line. We are in the process of moving our office and request that all order forms and checks/money orders be sent to: **George T. Ladd**
