

BOSTON COLLEGE

2024-2025 FINANCIAL AID EXPENSE AND RESOURCE SUPPLEMENT

STUDENT INFORMATION

Student's Name _____ Eagle ID Number _____
(please print)

This form is being requested based on your financial aid application materials which suggest that the family's expenses are greater than their income. To gather a better understanding of the family's financial situation, please complete and return this form. No further processing of financial aid can occur until this information is received by the Office of Student Services.

When completing this form, please be sure to provide all relevant detail. Do not leave any line blank. Enter zeroes where appropriate. While we have tried to provide general guidelines to assist you in identifying your expenses and resources, we realize that there may be other items we have not listed. Extra space has been provided for you to identify additional expenses and resources.

- Expense worksheet detailing your parent(s) 2022 household expenses. Include the actual bill amounts paid by your parent(s) or someone else in 2022.
- Resource worksheet detailing your parent(s) 2022 income and resources used to meet their household expenses. Tell us how and who paid for the expenses that are detailed on the Expense worksheet. You may include an additional statement if you wish to explain unusual circumstances.

Please return this form to www.bc.edu/finaidupload. Detailed instructions, including file limitations, are available at www.bc.edu/applyforaid. Please note that it takes 48-72 hours for your documents to be added to your financial aid file.

Additional Resources:

If you utilized your savings to help cover expenses, please indicate the amount of savings withdrawn over the course of the year. \$ _____

If you financed any of your expenses through a loan or credit, please indicate the amount of your loan or credit debt attributable to 2022 expenses only. Please provide documentation of your loans. \$ _____

If you received assistance from relatives or friends, please indicate the amount they provided over the course of the year. We assume that every person must have some basic living expenses and income to cover these expenses. If someone is paying your bills, this amount should be indicated here. If zero income and expense is reported and no explanation as to why, you will automatically be assigned a standard amount for both income and expenses, which may be higher than your actual income/expenses. \$ _____
